ABSTRACT

MANAGEMENT OF CHOIR EXTRACURRICULAR ACTIVITIES AT SMAN 1 NATAR

By

YOHANA LEOSA

Choir extracurricular activities are one of the means to develop students' potential in the field of arts as well as to build character through cooperation and discipline. The success of these activities is influenced by the management carried out by the coach as the activity leader. In management studies, extracurricular activities can be analyzed through the functions of planning, organizing, actuating, and controlling (POAC). Therefore, this study aims to examine how the management of choir extracurricular activities at SMAN 1 Natar is implemented. This study uses a qualitative approach with a descriptive method. Data collection techniques were conducted through observation, interviews with the coach, and documentation. The data were analyzed through data reduction, data display, and conclusion drawing. The results show that the choir extracurricular activities have been implemented through management stages including planning, organizing, actuating, and controlling. This study provides an overview of the implementation of extracurricular choir management in schools.
