

ACKNOWLEDGEMENTS

Om Avignam Astu Namu Sidham, the researcher would like to acknowledge her countless thanks to *Ida Sang Hyang Widi Wasa* who has given mercies, blessing, and everything to the researcher in finishing this script, entitled “The Effectiveness of Collaborative Learning in Improving Students’ Speaking Skill”. This script is presented to fulfill one of the requirements in accomplishing the S-1 Degree at the English Study Program the Faculty of Teacher Training and Education, University of Lampung.

This script would never have come into existence without supports, encouragement, and assistance from other peoples. So, the researcher would like to take her opportunity to express her deep and sincere gratitude to the following people. First, the researcher would like to address her gratitude to Dr. Flora, M.Pd., as her first advisor who has guided the researcher with her kindness, patience, loveliness in finishing this script. The researcher would like to say a big of thanks for her willingness in giving assistance, ideas, encouragement, and scientific knowledge within her time during the script writing process. Second, the researcher deep gratitude is also extended to Drs. Huzairin, M.Pd. as her second advisor, who has given his expertise and guidance in writing this script. The researcher also would like to address her gratitude to Dr. Ari Nurweni, M.A. as her examiner who has given suggestions and critics to this script. It will be hard for the researcher to make the script becomes perfect and more valuable without their guidance and contribution. The researcher also would like her gratitude to Drs. M. Sudirman, M.Pd. as the researcher’s academic advisor and all lecturers in English Department for their valuable teaching.

Next, the researcher considers herself very blessed for having sincere love, support, pray, and trust from her beloved parents and her only brother. Especially, her parents who give their endless love and support. May Ida Sang Hyang Widhi always give us health, peace, and protection.

Last but not the least; the researcher believes that it's truly amazing to have the companionship of friend in the college or in my whole life. I would like to say thanks to Dewa Ayu as the researcher best friend for more than ten years. Then, the researcher also want to say thanks to Caboca Ranger (Lala, Ncup, Nita, Atih, Siwik, Jojo, Komeng) who always support her in the light and sorrow in finishing this script. Thank you very much for your support, advice, and suggestion to me. I am nothing without you all. I hope that our friendship will be long last 'till the end. The researcher also would like to say thanks to all my friends in English Department 11, especially in B class (barry, bagus, arya, cirul, afif, nyoman, hamdan, kharis, widi, arta, abek, repi, dewi, tata, uni, uwi, anggun, yuni, anggi, nurul, fiya, dara, rima, irin, erlin, eva, lia, ire, nova, kinan, cia, wulwul, mbk nisa, and lia anisa) , thanks for your help during our college time. Then, the researcher also would like to say thanks for the researcher's new family, my Liwa family (karyanti, dynda, veny, and robby), who are always help me during my KKN time until now.

Nothing in this world is perfect and this final project is no exception. The researcher hopes that this final project will be useful and beneficial for the readers, especially those who concerned with the profession of English teaching.
