TABLES

Table 3.1. The Scoring Criteria of Writing Test ................................................. 44
Table 3.2. Specification of Writing Test ................................................................. 46
Table 3.3. Reliability Test in Both Experimental Classes ................................. 49
Table 4.1. Distribution Frequency of Students’ Pre-test Scores in Experimental Class 1 ................................................................. 58
Table 4.2. Distribution Frequency of Students’ Pre-test Scores in Experimental Class 2 ................................................................. 59
Table 4.3. Analysis of Students’ Pre-test Score in Experimental Class 1 and Experimental Class 2 ................................................................. 60
Table 4.4. Distribution Frequency of Students’ Post-test Scores in Experimental Class 1 ................................................................. 61
Table 4.5. Distribution Frequency of Students’ Post-test Scores in Experimental Class 2 ................................................................. 62
Table 4.6. Analysis of Students’ Post-test Score in Experimental Class 1 and Experimental Class 2 ................................................................. 63
Table 4.7. Normality Testing .................................................................................. 65
Table 4.8. The Increase of Students Test Score in Experimental Class 1 .......... 67
Table 4.9. The Increase of Students Test Score in Experimental Class 2 .......... 67
Table 4.10. The Analysis of Gain Score in Both Classes ....................................... 68
Table 4.11. The Comparison of Students’ Gain in Both Classes ......................... 70
Table 4.12. The Analysis of Students’ Writing Ability in Content ....................... 71
Table 4.13. The Analysis of Students’ Writing Ability in Organization ............... 74
Table 4.14. The Analysis of Students’ Writing Ability in Language Use .............. 77
Table 4.15. The Analysis of Students’ Writing Ability in Vocabulary ................. 80
Table 4.16. The Analysis of Students’ Writing Ability in Mechanics .................. 83
Table 4.17. The Analysis of Students’ Aspect of Writing in Both Experimental Classes ................................................................. 86
