## BAB I PENDAHULUAN

1.1 Latar Belakang Masalah ................................................. 1
1.2 Perumusan dan Batasan Masalah ........................................ 5
1.3 Tujuan dan Manfaat Penelitian....................................... 6

## BAB II TINJAUAN PUSTAKA DAN PENGEMBANGAN HIPOTESIS

2.1 Teori Stakeholder .......................................................... 8
2.2 Berbagai Pengertian Set Kesempatan Investasi ....................... 10
2.3 Proksi Set Kesempatan Investasi ........................................ 11
2.4 Kebijakan Utang ............................................................ 14
2.5 Kebijakan dividen .......................................................... 15
2.6 Risiko Investasi ............................................................. 16
2.7 Profitabilitas ............................................................... 18
BAB III METODOLOGI PENELITIAN

3.1 Sampel dan Data Penelitian ................................................................. 25
3.2 Operasional Variabel Penelitian.......................................................... 26
   3.2.1 Variabel Dependen ...................................................................... 26
   3.2.2 Variabel Independen .................................................................. 27
3.3 Metode Analisis Data .......................................................................... 28
   3.3.1 Statistik Deskriptif ................................................................... 28
   3.3.2 Uji Asumsi Klasik ................................................................... 28
   3.3.3 Analisis Regresi Berganda ......................................................... 31
3.4 Pengujian Hipotesis ............................................................................ 31

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Hasil Penelitian .................................................................................. 33
   4.1.1 Data dan Sampel ........................................................................ 33
   4.1.2 Statistik Deskriptif ................................................................... 33
4.2 Uji Asumsi Klasik ............................................................................. 34
4.3 Analisis Regresi Liniear Berganda ....................................................... 38
4.4 Pembahasan ....................................................................................... 41

BAB V SIMPULAN DAN SARAN

5.1 Simpulan ............................................................................................ 44
5.2 Keterbatasan Penelitian ................................................................. 45
5.3 Saran .................................................................................................. 45
