

## ACKNOWLEDGEMENTS

*Alhamdulillah* 'alaamiin. Praise is merely to the Almighty ALLAH SWT for the gracious mercy and tremendous blessing that enables me to accomplish this bachelor script. This script is entitled : *The Comparison of Vocabulary Learning Strategies used by the Second Grade Students at SMAN 1 Bandar Lampung based on Gender and Vocabulary Size* is presented to fulfill one of the requirements in accomplishing S-1 Degree at the Department of Language and Arts of Teacher Training and Education Faculty in the Lampung University.

The writer would like to express her gratitude to many people who have given their suggestions, and helps in writing this script. First, the writer would like to delivers her gratitude and respect to her first advisor, Prof. Ag. Bambang Setiyadi, M.A., Ph.D., for his great guidance, ideas, scientific knowledge, best criticisms and encouragements during the process of writing this script. Then the best sincere gratitude is also extended to Drs. Sudirman, M.Pd for his patience, suggestions, and also revisions during the accomplishment of this script. The writer also would like to express my deep gratitude to my inspiring examiner, Ujang Suparman, M.A., Ph.D., who has given me valuable input for the improvement of this bachelor script.

Furthermore, the writer would like to say thanks to the headmaster of SMAN 1 Bandar Lampung, who has given the writer permission to do the research and all beloved students of XI MIA 3 and XI IIS 3 for their good cooperation.

The writer would also address her appreciation to her beloved big family of English Department 2011 and all friends who have motivated, strengthened and also inspired her. Thank you so much for being such a great companion during our togetherness at campus.

The greatest honour and appreciation is finally dedicated to her beloved parents. It is truly undoubted that loves, cares, spirits, motivation, patience and willingness to wait for her graduation and timeless prayers during days and nights are everything for her. My sincere thanks and love are also dedicated to my beloved brother and sisters, thank you so much from my deepest heart to you all.

Hopefully, this script would give a positive contribution to the educational development and for those who are interested in conducting the further reseach.
