

DEDICATION

With a bunch of love and appreciation, this script is proudly dedicated to:

My wonderful parents, Deni Rizal (The Late) and Hapsah. They are truly the most perfect gift God has ever given me and they are as the stars in my life who always guide me in their love.

My beloved sisters & my lovely nephew. Having you all is the greatest blessing in my life.

My best friends and my best supporters.

My incredible major and almamater, English Department of Lampung University.
