

ACKNOWLEDGEMENTS

Alhamdulillah rabil ‘alamin, the researcher expresses his highest gratitude to Allah subhanahu wa ta’ala for blessing, love, opportunity, health, and mercy to complete this undergraduate thesis. This undergraduate thesis entitled “An Analysis of Request Strategy and Politeness Strategy in Classroom Situation At SMAN 2 Bandar Lampung” is submitted as the final requirement in accomplishing undergraduate degree at The Department of Language and Arts, Faculty of Teacher Training and Education, University of Lampung.

In arranging this thesis, a lot of people have provided motivation, advice, and support for the researcher. In this valuable chance, the researcher intended to express his gratitude and appreciation to all of them. First, the researcher’s deepest appreciation goes to his beloved parents, his mother Yuni Aprida .S for the endless love, pray, and support, and his father Heryatman for the phone call every week in order to remind me to keep going and never giving up.

The researcher presents his sincere appreciation goes to Dr. H. BujangRahman, M.Si. as the dean of FKIP Unila. Also this thesis would not have been possible without the help, support and patience of my first advisor, Hery Yufrizal, Ph.D for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the past few years. Then to his second advisor Drs. Huzairin, M.Pd. who has helped him patiently finishing this undergraduate thesis by giving suggestion, guidance, and correction until the completion of this thesis.

The researcher greatest appreciation also goes to Dr. Ari Nurweni, M.A. as his examiner and also the head of English Department for her advice, supervision, and crucial contribution in the improvement of the result of this undergraduate thesis.

I gratefully thank to the principal of SMAN 2 Bandar Lampung, Drs. Sobirin, M.Pd for allowing me to conduct the research there. Also to the English teachers in SMAN 2 Bandar Lampung; Mrs. Tiermin Manurung, Mr. Suranto, Mrs. Sarinah Saragih and the special one Mrs. Rez Nurlela for allowing me to conduct my research in her class. I could never have finished this without your great guidance.

My gratitude also goes to my beloved aunty wa' Iwin and tante butet for every support in any form especially for letting me stay at your house for a couple of month. I am sorry that I rarely visited your home recently.

Also to the two princess of my family, my beloved sisters Ami and Kiki, who never stops asking about the completion of my study. Their text messages keep me annoyed but magically give me reason to be focus to finish my study as soon as possible, for that I am really grateful to have you two in my life.

I am very grateful to have some close friends who always support me. The first appreciation goes to Yoannita Suherman. You are always a good listener for every problem I faced, especially when I had to revise this thesis and re-start over and over again. Your oppinions never stop surprise me and also allow me to see my problem from a different angle. I Also want to express my appreciation to my handsome partners I Gede Ktut Budi S, Gideon Setyo Santoso, Rohmat, and Fajar Prayoga who encourage me to finish this paper.

I would like to say thanks to my brothers of Asrama 45; Fadhil, Eko, Yonanda, Luki, Yosi, Roni, Yoga, Ujang, Yongki, Andre, Rian, Triya, Rajes, Sahrul, Dedi, Bram, Nata, and Aris thank you for being such a good neighbor who always ready to help me, and thank you for the gaming time that we have every night. Also to the entire brothers and sisters of English Departement 2010 who cannot be mentioned here one by one.

Finally, I would like to thank everybody who was important to the successful realization of this undergraduate thesis. This undergraduate thesis is far from being perfect, but it is expected that it will be useful not only for the researcher, but also for the readers. For this reason, constructive thoughtfull suggestion and critics are welcomed.
