

CHAPTER III CONCLUSIONS AND SUGGESTIONS

3.1. Conclusions

Based on the observed, information and experiences as long as the writer has field practice in the office of the Tourism and Culture at South Lampung Regency, she can conclude that are:

- a. South Lampung regency has many interesting places to be developed into tourism objects that may provide more income to the society and the region to develop tourism object need cooperation between government and private companies who wants to invest or personal parties who own tourism object in South Lampung Regency.
- b. Tourism object of water which is one of Hot Spring Water Way Belerang Sukamandi must be develop because this place has many potential for public or visitor to enjoyed and to cure skin of disease like a cure of alternative to cure skin of disease.
- c. The office has good vision and missions to realize duties in the office of Tourism and Culture.
- d. The Tourism and Culture of South Lampung Regency is a tourism potential that, has strategic location near with Bakauheni Harbour and it has tourism object like the beautiful nature culture wealth, beach and traditional culture. It is basic change to developed tourism object and tourism products.

- e. The writer who doing field practice in Tourism and Culture Office of South Lampung Regency can adapt with all of the staff, the office facilities, the office clients, the office and norms. This relation makes the writer feel easier to work all of her duties during field practice in there. Not only that, all of staff is friendly enough. The writer is always helped by them to solve the problem that she faces during field practice in there.
- f. During the field practice, the writer had some experiences and knowledges about tourism objects in South Lampung such as *Banding* Resort, Way Belerang Sukamandi, and Way Belerang Simpur.

3.2. Suggestions

The efforts of the Office of Tourism and Culture of South Lampung Regency to developed of tourism and culture sector must be carried out seriously and continuously, that those efforts will be successfull. In this occasion, the writer would give some suggestions, as follow :

1. For Tourism and Culture Office

- a. The development of tourism objects in the South Lampung Regency must be managed professionally and it needs the cooperation between the government and investor. Besides that, it is necessary to improve of tourism objects.
- b. The staff in Tourism and Culture of South Lampung Regency must be decipline to come earlier to do office.

- c. To develop of tourism and culture of South Lampung Regency, the staff has to do promotion to socialize tourism, arts, and culture that exist in the regional by making brochure and booklet both in Indonesia and English and publishing in mass media, electronic media and internet.
- d. The office need employees who foreign languages capability and other skills connected with tourism, arts and culture sector.

2. For D3 English Department

- a. Every knowledge that learned by the writer in campus has to apply during field practice, such as, computer skill, tourism management, and work ethic skill. Just basic knowledge that is given by campus, the writer felt difficult when she was asked to type something more complicated. Now, campus has to give more skill completely and more practice to facilitated the students who will go to field practice ready.
- b. D3 English Department has to build cooperation with the office where the students placed field practice. Monitoring lecturer D3 English Department should visit the student in field practice department minimize once during field practice.
