

ABSTRACT

THE SOCIAL LIFE VALUE IN H. RHOMA IRAMA SONG LYRIC COMPOSITION AND ITS IMPLICATION AS THE REFERENCE OF LITERATURE FOR JUNIOR HIGH SCHOOL STUDENTS

By

RINI SUSIANTI

The problems in this research are what are the social life values that available in H. Rhoma Irama song lyric and its implication as the reference of literature for Junior High School Students. This research is aimed to describe the social life values in which are implied in H. Rhoma Irama song lyric and its implication as the literature reference for Junior High School Students.

However, the method of this research is qualitative descriptive. The data was described based on the reality of sociology side, then it was described due to the purpose of this research. The result of this research shows that the song lyric has full of social life values such as material, vital, and spiritual value. Meanwhile, the spiritual value consists of truth, beauty, morality, and religion.

The implication of this research could be related to the literature lesson at school, especially in Junior High School towards the analysis of social life values. The song lyrics of H. Rhoma Irama are also relevant to be as one of the literature reference for Junior High School Students literary Sidomulyo District of South Lampung. This rely on five aspects of reference's choice, such as students' culture background, psychology, tribute value, and variety of work. Thus, this research could provide the alternative way in teaching literature through School-Based Curriculem (KTSP) for Junior High School.

Keywords: Social life value, expediency of reference and song lyric.
