Narcotics law enforcement using criminal instruments require enforcement strategies such as treatment and rehabilitation strategies. This strategy of using two approaches aimed to reduce dependence drug abuse for drug addicts. The problem in this research is the implementation of criminal law policy in the rehabilitation of the social rehabilitation of drug addicts and provide benefits to drug addicts Rehabilitation Center in Bina Laras Yayasan Sinar Jati Bandar Lampung.

The approach used is a matter of empirical juridical approach. The data used are primary and secondary data. The data has been processed and then presented in the form of descriptions, then to selanjutnya drawn a conclusion.

Based on the results of research and discussion in mind that the implementation of the policy of the criminal law in the rehabilitation of the drug addicts are still not in accordance with the laws and regulations that exist, namely Law No. SEMA 35 of 2009 and No. 4 of 2010. It can be seen from the mismatch between the written policy planning for planning services for addicts in the field. Double track system in the formulation of sanctions against drug abuse is a criminal law in the formulation of policy provisions governing the sanctions given to the perpetrators of the abuse of narcotics, namely in the form of criminal sanctions and the sanctions measures considering drug abuse offenders have a slightly different position to other criminal , Obstacles in the implementation of rehabilitation for drug addicts in Panti Bina Laras Yayasan Sinar Jati Lampung still found because the scheme forceful measures in the Narcotics Act is still minimal of supervision.

Expected to Panti Bina Laras Yayasan Sinar Jati Lampung to better optimize repressive in implementing both medical rehabilitation and social rehabilitation, and improving cooperation with the private rehabilitation in the city of Bandar Lampung so that possible problems can coordinate drug addicts who have not received the rehabilitation of addicts, especially the in the city of Bandar Lampung.
