ABSTRACT

PERFORMANCE OF THE DEPARTMENT OF YOUTH SPORTS CULTURE AND TOURISM IN CENTRAL LAMPUNG REGENCY IN YOUTH EMPOWERMENT IN CENTRAL LAMPUNG

By

MERARI DEFRI PRHAMATHANA

The lack of training of youth as well as the means provided by the Department of Youth, Sport, Culture and Tourism Central Lampung Regency make youth in Central Lampung do not have sufficient expertise to compete with the other youth who come from other regency in getting a job. Apart from the lack of special skills possessed by the youth in Central Lampung, drugs became one of the factors that make a lot of youth in Central Lampung involved in crime cases.

Performance is an achievement of the work of an individual or group within an organization in terms of quality and quantity in performing their duties and responsibilities given to him. Department of Youth Sports Culture and Tourism Central Lampung Regency is a government agency that has the task of coaching and execution of tasks in the field of youth sports, culture and tourism. Youth empowerment itself is a very important factor in public awareness or youth to understand that the ability of the individual is very important in order to compete with youth from other regency/city. This objective research is to determine the
performance of the Department of Youth Sports Culture and Tourism Central Lampung regency in youth empowerment. The method used in this research is descriptive qualitative method. Data collecting techniques used were interviews and documentation. Source informants are employees of Department of Youth Sport Culture and Tourism of Central Lampung regency and member of the National Committee of Indonesian Youth Central Lampung Regency.
