

## Appendix 2

### English Speaking Assessment for Second Grade of Senior High School

Make a pair with your friend and choose your free topic based on one of this three purposes :

#### 1. Promoting a Product

Both of you should act as the manager or sales of a product. You can also bring the product in front of class to prove yours. You have to communicate and make your audience believe the quality or value of product by good presentation to audiences. i.e. promoting an English book, toothbrush, or delicious food ,etc.

#### 2. Entertaining People

Both of you can do this kind of “entertainment show” by using free performance you want. The most important thing is that your presentation can build a positive image and entertain your audiences. i.e telling funny story, stand up comedy, joke, etc.

#### 3. How to Make/Doing Something

Both of you have to present or show the procedure of making/doing something. Procedures describes how something is done through steps. i.e how to cook rice, how to boil an egg, how to use a public telephone, etc.
