## I. INTRODUCTION

A. Background of the Problem                                              1
B. Research Problem                                                        4
C. Objective of the Research                                               4
D. Uses of the Research                                                     4
E. Scope of the Research                                                    5

## II. FRAME OF THEORIES

A. Concept of Reading                                                       7
B. Concept Reading comprehension                                            9
C. Concept of Teaching Reading                                              13
D. Concept of Vocabulary                                                    15
E. Concept of Teaching Learning Vocabulary                                   18
F. The Relation between Vocabulary and Reading Comprehension              21
G. Vocabulary Self-Collection Strategy                                      22
H. Procedure of Teaching Reading Using Vocabulary Self-Collection Strategy  23
I. Advantages and Disadvantages of Vocabulary Self-Collection Strategy     27

## III. METHOD OF CLASSROOM ACTION RESEARCH

A. Concept of Classroom Action Research                                    29
B. Setting of the Research                                                  31
C. Description of the Research                                              31
IV. RESULT AND DISCUSSION

A. Cycle I
1. Planning.................................................. 42
2. Acting.................................................... 43
3. Observation............................................. 44
4. Analysis and Reflection............................. 52

B. Cycle II
1. Planning.................................................. 56
2. Acting.................................................... 56
3. Observation............................................. 59
4. Analysis and Reflection............................. 61

V. CONCLUSIONS AND SUGGESTIONS

A. Conclusions........................................... 68
B. Suggestions.......................................... 69

REFERENCES............................................. 71
APPENDICES............................................. 76
