

ACKNOWLEDGEMENTS

In the name of Ida Sang Hyang Widhi Wasa, the Beneficent and Merciful. All praise is merely to mightiest Ida SHWW, the lord of the worlds, for the gracious mercy and tremendous blessings that enables me to accomplish this script. This research report, entitled *the effectiveness of using jakarta post article to improve students' reading achievement in sma negeri 1 kotagajah*, is submitted to fulfill one of the requirements for obtaining the award of S-1 of English Education, the Department of Language and Art, Teacher and Training education Faculty, University of Lampung.

In composing this script, the writer got a lot of guidance, suggestion, and many valuable things from various side. Therefore, the researcher would like to thank to the following people for their idea, time, and guidance for this script:

1. Dr. Ari Nurweni, M.A. as the chairperson of English Study Program.
2. Drs. Basturi Hasan, M.Pd. as Advisor, who has patiently guide and directed the researcher until the completion of this script.
3. Drs. Ramlan Ginting Suka, M.Pd. as co-advisor, who has given guidance and supervision especially in correcting this script.
4. Ujang Suparman, M.A, Ph.D as the examiner, who has given guidance and suggestion for the improvement of the script.
5. The English Study Program Lectures in University of Lampung

6. Special thanks to Drs.Mashudi, M.Pd as the headmaster of SMAN 1 Kotagajah, Central Lampung for allowing him to conduct the research; and also for Dini Fridayanti, S.Pd. as the English teacher at SMAN 1 Kotagajah Central Lampung for being so helpful during the research process and giving suggestions during the research; and the students of the second grade of SMAN 1 Kotagajah Central Lampung for being so cooperative during the research.
7. All of his beloved friends in English Department, especially for his close friend (Rachmat Pradikta, Bima Surya Kesuma, Mifta, Luky, Fajar, Ni Made Silda, Komang Putri, Ahmad, Wayan Swastana, Fadil, Yoan, and Arya Yoga) who always support him and always beside him all over happiness and sadness.
8. The last, the researcher would like to say thanks to colleagues and all persons who cannot be mentioned individually here, who has greatly contributed toward the completion of this script.

Finally, the researcher assumes that there are still some weaknesses in this script. Any correction, comments, and suggestion for the improvement of this script are always open-heartedly welcome and writer hopes that this paper will be useful for the readers.

Bandar Lampung, September 2015

Researcher,

I Gede Ketut Budi Saputra
