

## **ACKNOWLEDGEMENTS**

Praised be merely to Alloh SWT the Most Gracious and the Most Merciful for giving me the chance to finish this research project entitles “The Correlation of Students’ Motivation and Language Learning Strategies on Their Reading Comprehension Achievement”.

This script is presented to fulfill one of requirements in accomplishing the S-1 Degree at the Department of Language and Arts of Teacher Training and Education Faculty in Lampung University.

I would like to acknowledge my gratitude to:

1. Ujang Suparman, S.Pd., M.A., Ph.D. as my first advisor who has given me invaluable guidance and unlimited patience in writing this script by giving many meaningful contributions to enrich my script through little discussion in his office.
2. Prof. Dr. Cucu Sutarsyah, M.A. as my co-advisor who gave me many suggestions and guidance. It helped me a lot in finishing this script.
3. Dra. Hartati Hasan, M.Hum. as my academic advisor and examiner has given for her guidance and suggestions and encouragement to me during my study in Lampung University.
4. Drs. Imam Rejana, M.Si. as the head of language and arts education department.
5. Drs. Bujang Rahman, M.Si. as the dean of teacher training and education faculty.

6. All my mates from 26<sup>th</sup> batch of UKPM *Teknokra*: Anastasia, Iskandar, Rio A.N, Hendi, Taufik, Uchy, Dian, Achy, Padli, Teja Rojak, Riki Verlian, Nashrull, and Aan Hanafi. I do enjoy every single moment we have during our togetherness, miss u all guys.
7. Bunda's dormitory: Eni Jay, Dwi Yulianti, Nisa'ul, Stella, who have patiently faced my bad mood whenever I found problems in writing my script.
8. All my best friend in 2003: Ade Parameswari, Desma, Dika, Isnaila, Iyah, Pipil, Titin, and Tiwi. Thanks so much for giving me many supports and the meaning of true friendship.

The last, greatest appreciation is extended to all my mates in 2003.

Finally, I realize that this research project still has some weaknesses. Therefore, criticism and suggestion are invited for its improvement. Hopefully, this research project can give benefit to the readers or those who want to carry out further research.
