# DAFTAR ISI

| Halaman |
|-----------------|-----------------|
| BAB I PENDAHULUAN | 1              |
| 1.1 Latar Belakang | 1              |
| 1.2 Rumusan Masalah | 6             |
| 1.3 Tujuan dan manfaat Penelitian | 6         |
| BAB II TINJAUAN PUSTAKA | 8         |
| 2.1 Tinjauan Tentang Pengaruh | 8          |
| 2.2 Tinjauan Tentang Status Sosial Ekonomi | 9       |
| 2.3 Tinjauan Tentang Orangtua | 17         |
| 2.4 Tinjauan Tentang Perilaku | 18         |
| 2.5 Motivasi | 20            |
| 2.5.1 Macam-Macam Motivasi | 22          |
| 2.5.2 Tingkat Motivasi | 30          |
| 2.6 Tinjauan Tentang Anak | 30         |
| 2.7 Pengaruh Status Sosial Ekonomi Orang Tua Terhadap Perilaku Anak | 32         |
| 2.8 Kerangka Pikir | 33            |
| 2.9 Hipotesis | 35            |
| BAB III METODE PENELITIAN | 37         |
| 3.1 Tipe Penelitian | 37          |
| 3.2 Definisi Konseptual | 38        |
| 3.2.1 Motivasi Belajar | 39        |
| 3.3 Definisi Operasional Variabel | 40      |
3.4 Definisi Operasional.............................................................. 41
3.5 Penetapan Lokasi Penelitian .................................................. 47
3.6 Populasi dan Sampel Penelitian ............................................... 47
3.7 Teknik Pengumpulan Data...................................................... 49
3.8 Teknik Pengolahan Data....................................................... 51
3.9 Teknik Analisa Data............................................................. 52

BAB IV GAMBARAN UMUM LOKASI PENELITIAN...................... 54
4.1 Sejarah Berdirinya Sma Negeri 10 Bandar Lampung............... 54
4.2 Situasi Dan Kondisi Sekolah Secara Umum............................. 56
   4.2.1 Situasi Pengolahan Data.............................................. 56
   4.2.2 Fasilitas Fisik........................................................... 57
   4.2.3 Keadaan Laboratorium Sekolah................................. 58
   4.2.3 Keadaan Perpustakaan Sekolah................................. 59
   4.2.4 Tata Usaha............................................................. 60
4.3 Penyusunan Kurikulum.......................................................... 60
   4.3.1 Penyusunan Program Per Semester............................. 60
   4.3.2 Penyusunan Satuan Pembelajaran............................. 60
   4.3.3 Kegiatan Ko-kurikuler dan Ekstrakulikuler................... 61
4.4 Obser Vasi Kegiatan Administrasi Seolah.............................. 62
4.5 Prestasi Siswa........................................................................ 64
4.6 Peraturan Tata Tertip Sekolah................................................. 64
   4.6.1 Kewajiban Bagi Siswa.............................................. 65
   4.6.2 Larangan Bagi Siswa.............................................. 67
   4.6.3 Sanksi-sanksi Bagi Siswa........................................ 69

BAB V HASIL DAN PEMBAHASAN............................................... 70
5.1 Hasil Penelitian........................................................................ 70
   5.1.1 Identitas Responden.................................................. 70
   5.1.2 Status Sosial Ekonomi.............................................. 80
   5.1.3 Motivasi................................................................. 90
5.2 Pembahasan............................................................................ 102
   5.2.1 Tabel Silang............................................................. 102
   5.2.2 Uji Statistika.......................................................... 103
BAB VI KESIMPULAN DAN SARAN.............................................. 108

6.1 Kesimpulan .................................................................................. 108
6.2 Saran ............................................................................................. 109
