

ACKNOWLEDGEMENTS

Praise be merely to Alloh SWT, for the blessing and mercy so that the writer is able to accomplish this script entitled *A Comparative Study of Students' Vocabulary Achievement Between those Who Are Taught through Logico and those Taught Through Crossword Puzzle at The Seventh Grade of SMP Negeri 21 Bandar lampung*.

This script is submitted as a compulsory fulfillment of the requirements for obtaining S1 degree of The English Education Study Program at The Teacher Training and Education Faculty, University of Lampung.

Gratitude and honor are addressed to all people and institutions that helped and supported the writer until completing this script. Here, the writer would like to acknowledge her sincere gratefulness to Ujang Suparman, M.A., Ph.D. as her academic supervisor and her first supervisor who has given assistance, guidance, ideas, encouragement and scientific knowledge within the process of accomplishing the script, and also as the academic advisor, who was led her from the beginning until the end of her study in this lovely University.

Her thankfulness is also due to Drs. Ramlan Ginting Suka, as a second advisor, who patiently had given support, input, help, and correction to improve this script.

Her sincerity is due to Dr. Muhammad Sukirlan, M.A as the examiner, who has given suggestions and ideas to make the script better and valuable. The writer says great thanks and honor to all English lecturers who have educated and broadened the writer's knowledge, especially about English during her study and also to all staffs and members of Language and Arts Department who have been cooperative with the writer.

Her appreciation is given to Juminto Haryadi, S.Pd, the headmaster of SMPN 21 Bandar Lampung who has given time. The writer also appreciates to Hendro Hermansyah, S.Pd, The English teacher of SMPN 21 Bandar Lampung who supported her to finish her script, helped her to conduct the research and also for all students of 7H,7I, and 7J in academic year 2011/2012 at SMP Negeri 21 Bandar Lampung.

Her full gratitude is presented to her beloved parents and family who keep motivating and supporting her without giving up finishing her study. Especially, her great thankfulness is given to her whole mates in '05 academic year, Yulika Normalia, Rosie Renata, Anin Pangesti, Okty kurniasih, Faradiaswita, Puji Rahmawati, Marisa Reti Lova Sari, and all 2005 crew, for sharing, helping,

inspiring and challenging time to pass each day with and also for all generation who care and help. Anyone who cannot be mentioned directly who has contributed in finishing this script.

Finally, the writer realizes that this script might have some weaknesses. Therefore, criticism and suggestions are welcomed for its improvement. Hopefully, this script can give benefits for the readers or those who want to carry out further research.
