DAFTAR ISI

Halaman

DAFTAR ISI ......................................................................................................... x

DAFTAR TABEL ................................................................................................. xiv

DAFTAR GAMBAR .............................................................................................. xv

I. PENDAHULUAN
A. Latar Belakang ............................................................................................... 1
B. Rumusan Masalah .......................................................................................... 4
C. Tujuan Penelitian .......................................................................................... 4
D. Manfaat Penelitian ......................................................................................... 4
E. Ruang Lingkup Penelitian .............................................................................. 5

II. KERANGKA TEORITIS
A. Tinjauan Pustaka ........................................................................................... 6
   1. Konsep Belajar dan Mengajar ................................................................. 6
   2. Motivasi Berprestasi ............................................................................... 10
   3. Hasil Belajar ............................................................................................. 15
   4. Guided Inquiry ........................................................................................ 19
   5. Learning Cycle 3E .................................................................................. 26
B. Kerangka Pemikiran .................................................................................... 31
C. Hipotesis Umum .......................................................................................... 34

III. METODE PENELITIAN
A. Populasi Penelitian ...................................................................................... 35
B. Sampel Penelitian ......................................................................................... 35
C. Desain Penelitian ......................................................................................... 35
D. Variabel Penelitian ...................................................................................... 36
E. Instrumen Penelitian .................................................................................... 37
F. Analisis Instrumen ....................................................................................... 37
G. Teknik Pengumpulan Data ......................................................................... 39
H. Teknik Analisis Data dan Pengujian Hipotesis ........................................ 41

IV. HASIL DAN PEMBAHASAN
A. Hasil Penelitian ........................................................................................... 47
B. Pembahasan .................................................................................................. 66

V. SIMPULAN DAN SARAN
A. Simpulan ..................................................................................................... 76
DAFTAR PUSTAKA
LAMPIRAN
1. Silabus .......................................................... 81
2. Rencana pelaksanaan pembelajaran Guided Inquiry .......... 83
3. Rencana pelaksanaan pembelajaran LC3E .................. 91
4. Lembar kerja kelompok Guided Inquiry ....................... 98
5. Jawaban lembar kerja kelompok Guided Inquiry ............ 107
6. Lembar kerja kelompok LC3E ................................ 115
7. Jawaban lembar kerja kelompok LC3E ....................... 120
8. Angket .......................................................... 125
9. Tabel Spesifikasi Lembar Penilaian .......................... 126
10. Kisi-kisi Tes Produk (A) ...................................... 128
11. Kisi-kisi Tes Produk (B) ....................................... 134
12. Rubrikasi Penilaian (LP) 1: Produk ......................... 139
13. Lembar Penilaian (LP) 2: Proses ............................ 144
14. Lembar Penilaian (LP) 3: Psikomotor ....................... 146
15. Soal Tes Hasil Belajar ........................................ 149
16. Kunci (LP) 1A: Produk ....................................... 152
17. Kunci (LP) 1B: Produk ....................................... 153
18. Analisis Motivasi Berprestasi Guided Inquiry ............. 157
19. Analisis Hasil Belajar Guided Inquiry ........................ 159
20. Analisis Motivasi Berprestasi LC3E ......................... 161
21. Analisis Hasil Belajar LC3E .................................. 163
22. Data Validitas Soal Pilihan Jamak ............................ 165
23. Data Validitas Soal Uraian .................................... 166
24. Hasil Uji Angket Motivasi Berprestasi Siswa ................ 167
25. Hasil Uji Validitas Angket Motivasi Berprestasi Siswa .... 169
26. Hasil Uji Validitas Soal Pilihan Jamak ..................... 174
27. Hasil Uji Validitas Soal Uraian ............................... 176
28. Hasil Uji Reliabilitas Motivasi Berprestasi ................. 177
29. Hasil Uji Reliabilitas Soal Pilihan Jamak .................. 178
30. Hasil Uji Reliabilitas Soal Uraian ............................ 179
31. Hasil Uji Normalitas ........................................... 180
32. Hasil Uji Independen Sample T-Test ........................ 181
33. Data Penilaian Keterampilan Sosial Pembelajaran LC3E .... 184
34. Data Penilaian Keterampilan Sosial Pembelajaran Guided Inquiry ... 185
35. Data Perilaku Karakter Pembelajaran Guided Inquiry .... 186
36. Data Perilaku Karakter Pembelajaran LC3E ................ 187
