## **A Thousand Years**

**By Cristina Ferry**

Heart beats fast

Colors and promises

How to be brave

How can I love when I'm afraid to fall

But watching you stand alone

All of my doubt suddenly goes away somehow

One step closer

[Chorus:]

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

Time stands still

Beauty in all she is

I will be brave

I will not let anything take away

What's standing in front of me

Every breath

Every hour has come to this

One step closer

[Chorus:]

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more

One step closer

One step closer

[Chorus:]

I have died everyday waiting for you

Darling don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

And all along I believed I would find you

Time has brought your heart to me

I have loved you for a thousand years

I'll love you for a thousand more
