DAFTAR ISI

DAFTAR ISI ................................................................. i
DAFTAR TABEL .......................................................... iii
DAFTAR GAMBAR ......................................................... iv
DAFTAR LAMPIRAN ....................................................... v

I. PENDAHULUAN

A. Latar Belakang dan Masalah........................................... 1
   1. Latar Belakang Masalah.............................................. 1
   2. Identifikasi Masalah ............................................... 6
   3. Pembatasan Masalah ............................................... 7
   4. Rumusan Masalah .................................................. 7

B. Tujuan dan Manfaat Penelitian ...................................... 7
   1. Tujuan Penelitian .................................................. 7
   2. Manfaat Penelitian ................................................. 8

C. Ruang Lingkup penelitian ............................................ 8
   1. Ruang Lingkup Objek Penelitian ............................... 8
   2. Ruang Lingkup Subjek Penelitian ............................. 8
   3. Ruang Lingkup Tempat dan Waktu Penelitian .............. 8

D. Kerangka Pikir ......................................................... 8

E. Hipotesis ............................................................... 11

II. TINJAUAN PUSTAKA .................................................. 13

A. Disiplin Berlalu lintas dalam Bidang Bimbingan Sosial ......... 13
   1. Pengertian Bimbingan Sosial .................................... 13
   2. Keterkaitan Disiplin Berlalu lintas dengan Bimbingan Sosial .... 14
   3. Pengertian Disiplin Berlalu lintas .............................. 15
   4. Aspek-aspek Disiplin Berlalu lintas ........................... 17
   5. Faktor yang Mempengaruhi Disiplin Berlalu lintas .......... 19

B. Konseling Kelompok .................................................. 20
   1. Pengertian Konseling Kelompok ................................ 20
   2. Tujuan Konseling Kelompok ..................................... 22
   3. Komponen Konseling Kelompok ................................ 23
   4. Tahapan Penyelenggaraan Konseling Kelompok ............. 25

C. Keterkaitan antara Konseling Kelompok dengan Disiplin
   Berlalu lintas Siswa .................................................. 30
III. METODE PENELITIAN

A. Waktu dan Tempat Penelitian ................................................................. 33
B. Metode penelitian .................................................................................. 33
   C. Variabel Penelitian dan Definisi Operasional ...................................... 34
      1. Variabel Penelitian ................................................................. 34
      2. Definisi Operasional ............................................................. 35
D. Subjek Penelitian .................................................................................. 36
E. Teknik Pengumpulan Data .................................................................... 37
   1. Angket (Check List) ......................................................................... 37
   2. Wawancara .................................................................................... 38
F. Uji Persyaratan Instrumen ................................................................... 39
   1. Uji Validitas .................................................................................. 39
   2. Uji Reliabilitas .............................................................................. 40
G. Teknik Analisis Data ........................................................................... 42

IV. HASIL DAN PEMBAHASAN ................................................................. 45

A. Hasil Penelitian .................................................................................. 45
   1. Gambaran Umum ............................................................................ 45
   2. Deskripsi Data ................................................................................ 46
   3. Deskripsi Pelaksanaan Kegiatan Konseling Kelompok ..................... 48
   4. Analisis Data Hasil Penelitian ......................................................... 60
B. Pembahasan ......................................................................................... 69

V. KESIMPULAN DAN SARAN ................................................................. 76

A. Kesimpulan ......................................................................................... 76
   1. Kesimpulan Statistik ..................................................................... 77
   2. Kesimpulan Penelitian ............................................................... 77
B. Saran .................................................................................................. 77
   1. Kepada Siswa ............................................................................... 77
   2. Kepada Guru Bimbingan dan Konseling ....................................... 77
   3. Kepada orang tua/wali murid ....................................................... 78
   4. Kepada Peneliti Lain ................................................................. 78
