Fakhri Adli

ABSTRACT

The purpose of this study is knowing and explaining how the framing is done by online media portal Viva.co.id and Metrotvnews.com in reporting deputy chairman of KPK Bambang Widjojanto's presumption of criminalized case. Pan and Kosicki framing analysis models are chosen to analyze deputy chairman of KPK Bambang Widjojanto's presumption of criminalized case because it has the focus to see how the news is constructed. The analysis of framing shows the visibly influence of media owners on the reporting of news media. This shows that neutrality and objectivity of the media is influenced by the interests of media owners. Framing that is done by online media, Viva.co.id for the news of media deputy chairman of KPK Bambang Widjojanto's presumption of criminalized case seems to take side of the owner, On other hand, the framing's done by online media Metrotvnews.com still shows an attempt to approach objectivity in their reports.
