<tr>
<td>DAFTAR TABEL ................................................................. ix</td>
</tr>
</tbody>
</table>

### I. PENDAHULUAN
- A. Latar Belakang Masalah ................................................. 1
- B. Identifikasi Masalah .................................................... 8
- C. Pembatasan Masalah ..................................................... 8
- D. Rumusan Masalah ........................................................ 9
- E. Tujuan Penelitian ......................................................... 9
- F. Kegunaan Penelitian ..................................................... 10
- G. Ruang Lingkup Penelitian ............................................. 10

### II. TINJAUAN PUSTAKA, KERANGKA BERPIKIR DAN HIPOTESIS
- A. Tinjauan Pustaka ......................................................... 11
  1. Ilmu Pengetahuan Sosial .............................................. 11
  2. Kreativitas .............................................................. 16
  3. Hasil Belajar ........................................................... 28
  4. Pengertian Model Pembelajaran Kooperatif TAI ................. 33
- B. Kerangka Pikir ............................................................ 37
- C. Hipotesis ................................................................. 39

### III. METODE PENELITIAN
- A. Tempat dan Waktu Penelitian ........................................ 40
- B. Subyek Penelitian ...................................................... 40
- C. Faktor Yang Diteliti .................................................... 40
- D. Rencana Tindakan ...................................................... 41
- E. Data Penelitian ........................................................ 43
- F. Teknik Pengumpulan Data ............................................. 43
- G. Instrumen Penelitian .................................................. 44
- H. Analisis Data ........................................................... 52
- I. Indikator Keberhasilan ................................................ 52
IV. HASIL PENELITIAN DAN PEMBAHASAN

A. Hasil Penelitian ................................................................. 53
   1. Gambaran Lokasi Penelitian ........................................ 53
   2. Hasil Penelitian ............................................................. 59
      a. Siklus I .................................................................... 59
      b. Siklus II ................................................................... 64
      c. Siklus III .................................................................. 67
   3. Deskripsi Kreativitas Siswa dan Hasil Belajar Siswa Dalam
      Pembelajaran .................................................................. 71

B. Pembahasan Penelitian ......................................................... 66
   1. Kreativitas Belajar Siswa .................................................. 73
   2. Hasil Belajar ................................................................. 76

BAB V KESIMPULAN DAN SARAN

a. Kesimpulan .................................................................... 77
b. Saran .............................................................................. 78
