

ACKNOWLEDGEMENTS

Alhamdulillah, praise is always to **THE ALMIGHTY ALLAH SWT** for the gracious mercy and tremendous blessing that always guides the writer along her life. She believes that by the blessing and the grace of Allah SWT, she is able to accomplish this script, entitled “A Comparative study of students’ Speaking Ability between those who are taught through Storytelling with Serial Pictures and those through Storytelling without Serial Pictures” as one of the requirement to finish her Bachelor degree at English Education Study Program, Teacher Training and Education Faculty, Lampung University.

She would like to express her sincere and great appreciation to all people and institutions in which without the support, motivation, and assistant, this script would never be compiled. Her acknowledgement and gratitude are given to the first advisor, Prof. Dr. Cucu Sutarsyah, M.A., and also Budi Kadaryanto, S.Pd., M.A. as the second advisor who have given their ideas, questions, advices, even motivations to the writer to finish this final work and for obtaining the title of Bachelor of English Education (S.Pd.).

Her thankfulness is also dedicated to Drs. Heri Yufrizal, M.A. Ph.D. as the examiner for patiently giving much supports, inputs, helps, and corrections to improve this script better. Then, the writer is very thankful to Budi Kadaryanto, S.Pd., M.A., as the

writer's academic advisor for her kindness and patience in guiding the writer during her study, and also the deepest appreciation for all the lecturers of English Education Department.

Her appreciation is also given to Drs. Badruzaman. S. Pd., M.M. Pd. as the principal of SMAN 1 Bandar Lampung for providing the chance to conduct this research. Next, her thankfulness is addressed to Miss Dra Kastiani, S.Pd., for her guiding given to the writer during her research and also for the other English teachers of SMAN 1 Bandar Lampung: Nurma Rajaguguk, B.A., Teti Hernawati, M.Pd., who are very helpful. Then the writer also thanks to class X Social 1 and X Social 2 of 2013/2014 academic year for being cooperative during this research.

Another gratitude is given to my lovely close friends : Alex , Diah, Intan, Edo, Rizkur, Fitwul, Lia, Lona. Thanks for all the craziness, support, inspiration, and motivation which will never be forgotten. Next, the writer would like to say thanks also to her KKN/PPL team, her colleagues in English Department 2010 of Lampung University such as Abdul, Lucky, Dian.

Last but not least, her great indebtedness is also addressed to her beloved father, Amrozi, and her mother, Herida. It is truly undoubted that loves, cares, timeless prayers during days and nights, are everything for her. Her special gratitude is also given to her beloved siblings, Fitra Heramsyah and Ricky Heramsyah, and also my big family: Muty, Weny, Rika, Uwak Nunung, Uwak Kamalul, Ajo Awan for their

help and support financially to the writer. And special thanks for “YOU” for that supports, cares, motivation and everything to the writer.

Hopefully, this script will give positive contribution to development of education. The writer is completely aware that this script is far from the perfection. Therefore, constructive input and suggestion are expected to compose better paper in the future.
