Daftar Lampiran ............................................................................... xv

BAB I PENDAHULUAN
A. Latar Belakang Masalah ......................................................... 1
B. Identifikasi Masalah ................................................................. 5
C. Rumusan Masalah ................................................................. 6
D. Tujuan Penelitian ................................................................. 6
E. Manfaat Penelitian ............................................................... 7

BAB II KAJIAN PUSTAKA
A. Belajar dan Pembelajaran ......................................................... 9
B. Akivitas Belajar ................................................................. 11
C. Hasil Belajar ................................................................. 13
D. Peranan Bahasa Indonesia dalam Pembelajaran ................. 14
E. Hakikat Matematika ............................................................ 16
F. Pembelajaran dengan Pendekatan Tematik ......................... 17
G. Kartu Huruf dan Kartu Angka .............................................. 19
H. Hasil Penelitian yang Relevan ............................................ 22
I. Kerangka Pikir ................................................................. 23
J. Hipotesis Tindakan .............................................................. 24
BAB III METODOLOGI PENELITIAN
A. Jenis Penelitian ................................................................. 25
B. Setting Penelitian ............................................................ 26
  1. Waktu Penelitian ......................................................... 26
  2. Tempat Penelitian ....................................................... 26
C. Subjek Penelitian ............................................................ 27
D. Teknik dan Alat Pengumpulan Data ................................. 27
  1. Tes ................................................................................. 27
  2. Observasi ................................................................. 27
E. Alat Pengumpulan Data ..................................................... 27
F. Analisis Data ................................................................. 28
G. Indikator Keberhasilan ..................................................... 30
H. Langkah-langkah Penelitian ............................................ 31

BAB IV HASIL PENELITIAN DAN PEMBAHASAN
A. Prosedur Penelitian ......................................................... 43
  1. Deskripsi Awal ............................................................ 43
  2. Refleksi Awal ............................................................ 44
  3. Persiapan Pembelajaran ............................................... 44
B. Hasil Penelitian .............................................................. 45
  1. Siklus I ................................................................. 45
  2. Siklus II .............................................................. 56
C. Pembahasan ................................................................. 65
  1. Aktivitas Belajar Siswa ............................................... 66
  2. Kinerja Guru .......................................................... 69
  3. Hasil Belajar Siswa .................................................... 71

BAB V KESIMPULAN DAN SARAN
A. Kesimpulan ................................................................. 75
B. Saran ............................................................................. 76
