Alhamdulillahi robbil ‘alamin, Praise is merely to The Mightiest Allah SWT for the gracious mercy and tremendous blessing that enable me to accomplish this script entitled “The Implementation of Question Answer Relationship Strategy in Improving Students’ Reading Comprehension at the First Grade of SMAN 9 Bandar Lampung”. This script is submitted as a compulsory fulfillment of the requirements for S1 degree of English Education Study Program at Teacher Training and Education Faculty, University of Lampung.

It is important to be known that the research report would never have come into existence without any supports, encouragements, and assistance by several gorgeous persons. First of all the writer would like to express her sincere gratitude and respect to the first advisor, Prof. Ag. Bambang Setiyadi, M.A., Ph.D., and the second advisor, Budi Kadaryanto, S.Pd., M.A., who have contributed and given their invaluable evaluations, comments, and suggestions during the completion of this research. The writer also would like to express the deepest gratitude and respect to Dr. M. Sukirlan, M.A., as her examiner who has given suggestions and criticisms to the research report. It will be hard for the writer to make the research report better without his contributions.
