DAFTAR TABEL .............................................................................................................. ix
DAFTAR GAMBAR .......................................................................................................... x

I. PENDAHULUAN
   A. Latar Belakang ........................................................................................................ 1
   B. Rumusan Masalah ................................................................................................. 6
   C. Tujuan Penelitian .................................................................................................. 6
   D. Manfaat Penelitian ............................................................................................... 7
   E. Ruang Lingkup Penelitian .................................................................................... 7

II. TINJAUAN PUSTAKA
   A. Belajar .................................................................................................................. 9
   B. Aktivitas Belajar ................................................................................................... 10
   C. Hasil Belajar .......................................................................................................... 11
   D. Penguasaan Konsep ............................................................................................ 12
   E. Pembelajaran Kooperatif ..................................................................................... 14
   F. Pembelajaran Kooperatif Tipe TAI ..................................................................... 17
   G. Lembar Kerja Siswa ............................................................................................. 22

III. METODE PENELITIAN
   A. Subyek dan Tempat Penelitian ................................................................. 24
   B. Prosedur Penelitian ............................................................................................ 24
   C. Jenis Data ............................................................................................................. 40
   D. Teknik Pengumpulan Data .................................................................................. 40
   E. Teknik Analisis Data ........................................................................................... 41
IV. HASIL PENELITIAN DAN PEMBAHASAN
A. Hasil Penelitian ................................................................. 46
B. Pembahasan .......................................................................... 48

V. SIMPULAN DAN SARAN
A. Simpulan ........................................................................... 74
B. Saran ................................................................................ 75

DAFTAR PUSTAKA ................................................................... 76

LAMPIRAN

1. Silabus .................................................................................. 78
2. Rencana Pelaksanaan Pembelajaran .................................... 84
3. Lembar Kerja Siswa ............................................................ 116
4. Kisi-Kisi Soal ....................................................................... 157
5. Soal dan Jawaban Latihan Soal ............................................ 163
6. Soal dan Jawaban Tes Formatif ........................................... 182
7. Lembar Obsevasi Guru Mengajar ......................................... 187
8. Lembar Observasi Aktivitas Siswa ....................................... 193
9. Data Tahapan Latihan Soal Siswa .......................................... 205
10. Data Hasil Penguasaan Konsep dan Ketuntasan Belajar ........ 207
11. Data Perolehan Penghargaan Kelompok ............................... 209
12. Perhitungan ......................................................................... 214
13. Data Hasil Perhitungan Penguasaan Konsep dan Aktivitas Siswa ... 225
14. Surat Ijin Penelitian ............................................................ 226
15. Surat Keterangan Melakukan Penelitian .............................. 227
16. Daftar Hadir Seminar Proposal ........................................... 228
17. Daftar Hadir Seminar Hasil .................................................. 229
18. Kartu Bimbingan Skripsi ..................................................... 230
