

AKNOWLEDGEMENT

Praise is merely to Allah SWT for His gracious and merciful blessing so that the writer is able to complete this paper. This paper with the title “ **The Implementation of Whispering Game Toward Students’ Vocabulary Mastery at Second Semester of Seventh Class at SMP N 2 Talangpadang Tanggamus in 2011/2012**” is presented in partial fulfillment of requirement for S1 Degree in Language and Art Education Department of the Faculty of Teacher Training and Education of Lampung University.

First of all, she owes a great debt of gratitude to all of her lecturers at the English Study Program with whom she has had the opportunity to get much knowledge. She also would particularly like to give her deep thanks to both Drs. Huzairin, M. Pd. as her first advisor and Budi Kadaryanto, S. Pd, M.A. as the second advisor who have guided her in writing her paper.

Her great gratitude and appreciation are directed to Subaweh, S. Pd. the head master of SMP N 2 Talangpadang and the English teacher Kasno, S. Pd., who have given a lot of help and support on this paper. She also extends her appreciate on to all students of VII A for their participation in this research. She would also like to express her gratefulness to her beloved family for their pray, support and

motivation. Unforgettable appreciation is also extended to all students of 2011 English Teacher Training program for their ideas, suggestion and friendship given. Last but not least, she also welcomes criticisms and suggestions for the improvement of this paper. Hopefully, this paper can give benefit for the readers.

Talangpadang, March 2012
