ABSTRACT

EVALUATION OF REGIONAL REGULATION NO. 03 YEAR 2010 ON THE DEVELOPMENT OF STREET CHILDREN, HOMELESS AND BEGGARS IN BANDAR LAMPUNG

By

FREDY ANGGARA

This study aims to find out how the Evaluation of Regional Regulation (Perda) of Bandar Lampung No.03 Year 2010 on Child Development, Street, Homeless and Beggars and factors that hamper the process of controlling and fostering the homeless beggars. In this study the authors used data analysis techniques that adopt the model of the analysis presented by Miles and Hubermanin (Sugiyono, 2013:246) with purposive sampling as a technique to determine the informant. The necessary data is collected through Librarianship (Library Research) and field research (Field Work Research) through observation, interviews with informants and documentation.

Conclusions from the study show that the Social Office of Bandar Lampung, Pamong Praja Police Unit, has been carrying out the process of controlling and fostering street children, homeless and beggars in accordance with Regional Regulation Number. 03 Year 2010 but there are still a lot of activity of street children, homeless and beggars who operate in public places such as traffic lights, Market, crossing bridge and sidewalk that is sometimes disturbing public order. The main problem which are the hampering factor in the Implementation Process of fostering are limitation of funds, provision of Facilities, supporting Infrastructure, lack of socialization to various aspects of society and stakeholders and also the lack of cooperation among implementing agencies Social Office of Bandar Lampung and the Pamong Praja Police Unit with other Social Institutions in the city of Bandar Lampung in solving the obstacles that encountered, which are the hampering factor of Regional Regulation implementation in order to find the right solution for handling it.

Keywords: Evaluation, Regional Regulation Number. 03 Year 2010, Fostering Street Children, Homeless and Beggars
