

ABSTRACT

EVALUATION OF REGULATION OF PROVINCIAL LAMPUNG NO. 6 OF 2006 ON INTEGRATED SERVICES TO WOMEN AND CHILDREN VICTIMS OF VIOLENCE IN BANDAR LAMPUNG

By

BAYU DWI PUTRA

Violence against women is not only a criminal act, but also a social problem that needs to be addressed immediately, in quality and quantity. Local Government is an obligation under an autonomous regional authority to regulate and manage the handling and provide services for women and children victims of violence. On that basis, the Government of Lampung Province Regulation No. 6 of 2006 as the legal basis was established UTPKTK, people from groups who are unable to advocated after experiencing violence.

been applied include: (1) Observation (observation), (2) In-depth interviews (in depth interview), (3) Documentation. While the data analysis techniques: (1) Observation (observation), (2) In-depth interviews (in depth interview), (3) Documentation. Technical Data Validity checks: (1) The degree of confidence (credibility), (2) Keteralihan (transferability), (3) dependence (dependability), (4) Certainty (confirmability).

Based on the results and discussion of research, it can be concluded that the implementation of regulations No.6 of 2006 concerning integrated services to women and children victims of violence has been working well, this conclusion is based on: (1) Implementation of integrated services to women and children victims of violence has led to the specified target group, (2) Implementation of integrated services to women, like all victims of violence receive maximum service, (3) Human resources (HR) on the implementation of integrated services to women and children victims of violence is good enough, but it's just knock constraints of police resources it is rarely reflected in the police who stand by at UTPKTK, when the police is a very important role in the process of

accompaniment, (4) Facility at UTPKTK already very adequate at all, (5) The constraints that arise in the implementation of integrated services to women and children victims of violence is human resources.
