DAFTAR LAMPIRAN

I. PENDAHULUAN
   A. Latar Belakang ............................................................... 1
   B. Identifikasi Masalah ....................................................... 5
   C. Batasan Masalah ............................................................. 6
   D. Perumusan Masalah ......................................................... 6
   E. Tujuan Penelitian ............................................................. 7
   F. Kegunaan Penelitian ......................................................... 7
   G. Ruang Lingkup Penelitian .................................................. 8

II. TINJAUAN PUSTAKA, KERANGKA PIKIR DAN HIPOTESIS
   A. Tinjauan pustaka ........................................................... 9
      1. Minat Belajar Ekonomi ............................................... 9
      2. Lingkungan belajar di sekolah ...................................... 12
      3. Prestasi belajar ekonomi ............................................. 16
   B. Penelitian yang Relevan .................................................. 19
   C. Kerangka pikir ............................................................... 19
   D. Hipotesis ........................................................................... 21
METODOLOGI PENELITIAN
A. Metodologi Penelitian ................................................................. 22
B. Populasi dan Sampel ................................................................. 23
  1. Populasi .................................................................................. 23
  2. Sampel .................................................................................. 23
  3. Teknik Pengambilan Sampel .................................................. 25
C. Variabel Penelitian .................................................................... 26
D. Definisi Operasional ................................................................. 26
E. Teknik Pengumpulan Data .......................................................... 28
F. Uji Persyaratan Instrumen .......................................................... 29
  1. Uji Validitas ........................................................................... 29
  2. Uji Reabilitas ........................................................................ 30
G. Teknik Analisis Data .................................................................. 31
H. Uji Normalitas dan Homogenitas ............................................... 31
  1. Uji Normalitas ........................................................................ 31
  2. Uji Homogenitas .................................................................... 32
I. Uji kelinearan dan kebeartian .................................................... 33
J. Uji Multikolinearitas ................................................................. 35
K. Uji Autokolerasi ....................................................................... 35
L. Uji Heteroskedastisitas ............................................................. 35
M. Uji Hipotesis ............................................................................. 36

HASIL PENELITIAN DAN PEMBAHASAN
A. Gambaran Umum Sekolah Lokasi Penelitian ............................... 39
  1. Sejarah Berdirinya Sekolah ..................................................... 39
  2. Visi dan Misi SMU YP Unila .................................................... 40
  3. Situasi dan Kondisi Sekolah .................................................... 41
  4. Pengenalan Pengadaan Sekolah ............................................ 46
B. Gambaran Umum Responden ...................................................... 47
C. Deskripsi Data ........................................................................... 47
  1. Data Minat Belajar Ekonomi ................................................... 48
  2. Data lingkungan Belajar Di Sekolah ....................................... 50
  3. Data Prestasi Belajar ............................................................. 51
D. Uji Persyaratan Istrumen dan Analisis Data ................................. 53
  1. Uji Validitas ........................................................................... 53
  2. Uji Reabilitas ........................................................................ 54
  3. Uji Normalitas ........................................................................ 55
  4. Uji Homogenitas .................................................................... 56
  5. Uji Kelinearan dan Keberartian ............................................. 56
    5.1 Uji Kelinearan X1 dan X2 .................................................. 56
    5.2 Uji keberartian X1 dan X2 ................................................ 57
  6. Uji Multikolinearitas .............................................................. 58
  7. Uji Autokolerasi .................................................................... 58
  8. Uji Heteroskedastisitas .......................................................... 58
  9. Uji Hipotesis .......................................................................... 59
  9.1 Pengaruh minat belajar ekonomi terhadap prestasi belajar ekonomi siswa kelas X SMU YP Unila Bandar Lampung Tahun pelajaran 2008/2009 ......................................................... 59
9.2 Pengaruh lingkungan belajar di sekolah terhadap prestasi belajar ekonomi siswa kelas X SMU YP Unila Bandar Lampung Tahun pelajaran 2008/2009 ................................................................. 61
9.3 Pengaruh minat belajar ekonomi dan lingkungan belajar di sekolah terhadap prestasi belajar ekonomi siswa kelas X SMU YP Unila Bandar Lampung Tahun pelajaran 2008/2009 .... 63

E. PEMBAHASAN ............................................................................. 65

V. KESIMPULAN DAN SARAN
A. KESIMPULAN ........................................................................... 72
B. SARAN ..................................................................................... 72
