TESSA BROJONEGORO**

The ability of the government in building democratic life is good to the people is reflected in the implementation process of democratization itself, and one form of democratic process which is run by the government is assured and the implementation of an election is honest, fair, free and confidential as mandated by the Constitution Act 1945 and Pancasila. Election is a political tool that can not be separated from each nation that embraces democracy, because democratic requirement whether or not a nation can be seen from how prorses decisions made through a system of elections that are honest, fair and regular. But along with the advance of a democratic system of course must also dimbangi with the readiness of the device or its supporting agencies. In this case is the National Election Commission has a very large role in determining the success of an election, because the success or failure of elections is the sole authority of the institution or the Commission Electoral Commission which is the independent body established by the government under the law to hold elections with a good, honest and fair.

Electoral commission has a responsibility in conducting elections to the community and socialize well, so that the estuary can aimlessly quality and

deputy election representative of the people in charge, so that they can fight for the aspirations of the people and regions they represent.

The goal of this research is to investigate and analyze the effectiveness of the role of the Electoral Commission in conducting elections legeslatif socialization of the study at the General Election Commission of Tulang Bawang Regency Onion.

The research method used in this research is descriptive research, the method of research to formulate a picture that is composed in a systematic, factual and accurate.

Based on research results obtained from the questionnaire, indicated that the District Election Commission Tulang Bawang Onions "Effective enough" in conducting socialization legislative election so that in the elections held on time and can walk quite well and successfully, but apart from that all Electoral Commission General district Tulang Bawang Onions are also still there are still many shortcomings, so that the County Commission of the General election has not been able to take advantage of Tulang Bawang Onions and improve their performance to achieve optimal implementation of a quality election.
