

DEDICATION

By offering my praise and gratitude to Allah SWT for the abundant blessing to me, I would proudly dedicate this script to my very special people in my life;

My beloved parents, Abu Yamin and Samini, for their love and support;

My grandmother, Rukayah, for her overwhelming love and sincere prayer;

My beloved younger sister and brother, Resti Yanti and Budi Gusnawan, for their eternal love;

And finally, my beloved almamater,

Lampung University.
