I. PENDAHULUAN

1.1 Latar Belakang Penelitian

1.2 Perumusan Masalah

1.3 Tujuan Penelitian

1.4 Manfaat Penelitian

II. TINJAUAN PUSTAKA, KERANGKA PEMIKIRAN & HIPOTESIS
2.6.2 Hubungan Antara Kualitas Produk dan Keputusan Pembelian .................................................. 29

2.7 Keputusan Pemberian Merek .............................................................................................................. 30

2.8 Proses Keputusan Pembelian .............................................................................................................. 31

2.9 Elemen-elemen Dasar Pembuat Keputusan ....................................................................................... 36

2.10 Perilaku Pembelian ............................................................................................................................ 37

2.11 Kerangka Pemikiran .......................................................................................................................... 38

2.12 Hipotesis .............................................................................................................................................. 42

III. METODE PENELITIAN ......................................................................................................................... 43

3.1 Objek Penelitian ................................................................................................................................... 43

3.2 Populasi dan Sampel Penelitian .......................................................................................................... 43

3.2.1 Populasi ........................................................................................................................................... 43

3.2.2 Sampel ............................................................................................................................................ 44

3.3 Sumber Data ......................................................................................................................................... 45

3.3.1 Data Primer ..................................................................................................................................... 45

3.3.2 Data Sekunder .................................................................................................................................. 45

3.4 Jenis Penelitian ...................................................................................................................................... 46

3.5 Metode Pengumpulan Data ................................................................................................................. 46

3.5.1 Kuesioner ....................................................................................................................................... 46

3.5.2 Dokumentasi .................................................................................................................................... 47

3.6 Definisi Operasional Variabel .............................................................................................................. 47

3.7 Pengukuran Instrumen Penelitian ........................................................................................................ 50

3.8 Uji Instrumen Penelitian ....................................................................................................................... 51

3.8.1 Uji Validitas ..................................................................................................................................... 51

3.8.2 Uji Reabilitas .................................................................................................................................. 54
3.9 Teknik Analisis Data ........................................................................................................ 56
   3.9.1 Analisis Kuantitatif .................................................................................................. 56
   3.9.2 Analisis Regresi Linear Berganda ......................................................................... 56
3.10 Pengujuan Hipotesis .................................................................................................. 57
   3.10.1 Uji F ..................................................................................................................... 57
   3.10.2 Uji t ...................................................................................................................... 57
3.11 Analisis Kualitatif ...................................................................................................... 58

IV. HASIL DAN PEMBAHASAN .................................................................................... 59
   4.1 Gambaran Umum Perusahaan .................................................................................. 59
   4.2 Karakteristik Responden .......................................................................................... 62
      4.2.1 Karakteristik Responden Berdasarkan Usia ....................................................... 62
      4.2.2 Karakteristik Responden Berdasarkan Jenis Kelamin ........................................ 62
      4.2.3 Karakteristik Responden Berdasarkan Pendapatan ............................................ 63
      4.2.4 Karakteristik Responden Berdasarkan Pekerjaan ................................................ 64
   4.3 Analisis Deskriptif Responden .................................................................................... 64
      4.3.1 Analisis Responden Atas Variabel Citra Merek .................................................. 64
      4.3.2 Analisis Responden Atas Variabel Kualitas Produk ............................................. 70
      4.3.2 Analisis Responden Atas Variabel Keputusan Pembelian .................................... 77
   4.4 Analisi Pengaruh ....................................................................................................... 81
      4.4.1 Uji F (Simultan) ................................................................................................. 82
      4.4.2 Uji t (Parsial) ..................................................................................................... 84
   4.5 Pembahasan ............................................................................................................... 86
      4.5.1 Pengaruh Citra Merek (X1) .................................................................................. 87
      4.5.2 Pengaruh Kualitas Produk (X2) .......................................................................... 88
4.6 Pengaruh Variabel Citra Merek (X1) dan Kualitas Produk (X2) Secara Bersama-sama

.................................................................................................................................................. 89

4.7 Implikasi Manajerial .............................................................................................................. 90

V. Kesimpulan Dan Saran ............................................................................................................... 93

5.1 Kesimpulan ................................................................................................................................. 93

5.2 Saran ........................................................................................................................................... 95
