

DEDICATIONS

By affecting my praise and gratitude to Allah SWT for blessing me,

I'd proudly dedicated this script to :

- The extraordinary couples, my rulers, my lives, my everything: My parents Abdul Hamid and Umi Kalsum, may God loves you as you love me all the days and the nights.
- My brother and and sisters Rizka, Nukhbatul, and Intan come and shining bright like how you dream of.
- English Department, University of Lampung
