ABSTRACT

AUTHORITY INSPECTORATE LAMPUNG TENGAH DISTRICT OF GUIDANCE AND SUPERVISION OF THE GOVERNMENT OF THE VILLAGE KALIREJO DISTRICT KALIREJO

By:

NENI KURNIAH

Under the terms of the Regulation of the Minister of the Interior No. 64 Year 2007 on Technical Guidelines on the Organization and Work Inspectorate provincial and district / city, village government supervision and oversight carried out by Inspectorate district / city listed in Article 3 (2). Implementation of the guidance and supervision of the Inspectorate Lampung Tengah district to the village government apparatus Kalirejo considered less than optimal. Lampung Tengah district Inspectorate considers the Government has not been able to run the Village Kalirejo village autonomy in accordance with Law No. 6 Year 2014 on the village.

The problem in this thesis is how the authority of the Lampung Tengah District Inspectorate in conducting guidance and supervision of the Government of Village Kalirejo and what are the limiting factor in fostering and supervision of the Government of Village Kalirejo.

This study used juridical normative and empirical. The data used are primary data and secondary data, and analyzed deskriptive qualitatively.

Based on the survey results revealed that the forms of supervision carried out by the Inspectorate of Lampung Tengah district of the village government Kalirejo divide into three: 1) supervision/ regular examination, 2) supervision/inspection of case and 3) control/special examinations. Guidance and supervision authority covers: in administration, performance areas, the level of discipline and field development. The main limiting factor is the Inspectorate perceived lack of quality human resources aperture village.

Keywords: Authority, the Regional Inspectorate, Guidance, Control, Village.
