ABSTRAK

KEMAMPUAN MASYARAKAT MISKIN MEMENUHI PERSYARATAN BANTUAN STIMULAN BEDAH RUMAH

(Studi Kasus Di Desa Labuhan Makmur, Kecamatan Way Serdang,
Kabupaten Mesuji)

Oleh

IkaDesiana

Penelitian ini bertujuan untuk mendeskripsikan kemampuan masyarakat miskin dalam memenuhi persyaratan bantuan stimulant bedah rumah, membandingkan sebelum dan setelah program tersebut dijalankan terhadap kehidupan masyarakat miskin, menganalisis beberapa faktor yang dapat mendorong berjalannya program tersebut dan bagaimana pengaruhnya terhadap kesejahteraan hidup masyarakat miskin di Desa Labuhan Makmur, Kecamatan Way Serdang, Kabupaten Mesuji. Informan berasal dari masyarakat miskin yang memenuhi persyaratan dan tidak memenuhi persyaratan bantuan stimulan bedah rumah yang telah ditentukan menggunakan teknik *purposive sampling* sesuai dengan kebutuhan peneliti. Penelitian ini menunjukkan bahwa program stimulant bedah rumah belum sepenuhnya mencapai keberhasilan dikarenakan ada beberapa masyarakat miskin di Desa Labuhan Makmur yang belum mendapatkan bantuan tersebut. Penelitian ini cenderung melihat pada persyaratan pengambilan bantuan yang telah ditetapkan oleh Pemerintah Kabupaten Mesuji dalam pencapaian keberhasilan program stimulant bedah rumah.

Kata Kunci : masyarakat miskin, bedah rumah, persyaratan, keberhasilan
