Halaman

I. PENDAHULUAN

A. Latar Belakang ..............................................................................1
B. Rumusan Masalah ....................................................................10
C. Tujuan Penelitian ......................................................................10
D. Kegunaan Penelitian ................................................................11

II. TINJAUAN PUSTAKA

A. Tinjauan Tentang Konflik ..........................................................12
   1. Pengertian Konflik ...............................................................12
   2. Faktor Penyebab dan Bentuk Konflik ..................................13
B. Tinjauan Good Governance .......................................................13
   1. Urgensi dan Pengertian Good Governance ..........................13
   2. Aktor-aktor Good Governance ...........................................15
   3. Prinsip Utama Good Governance .......................................16
   4. Pemberdayaan sebagai tahap awal partisipasi ......................17
   5. Pemberdayaan masyarakat sipil untuk pencegahan konflik ......18
C. Pengertian Multikultural ............................................................19
D. Model Resolusi Konflik ..............................................................20
   1. Tinjauan Teoritik Model Resolusi Konflik ...........................20
   2. Hasil Kajian Terdahulu mengenai Resolusi Konflik ............22
E. Kerangka Pikir ............................................................................34

III. METODE PENELITIAN

A. Metode Penelitian ....................................................................35
B. Jenis Penelitian .........................................................................36
C. Fokus Penelitian ........................................................................38
D. Lokasi Penelitian ......................................................................38
E. Informan .....................................................................................39
F. Teknik Pengumpulan Data .........................................................40
G. Teknik Analisis dan Keabsahan Data .....................................43
IV. GAMBARAN UMUM

A. Desa Balinuraga .................................................................45
1. Sejarah Desa ......................................................................45
2. Demografi ........................................................................47
3. Pendidikan .......................................................................48
4. Keagamaan ......................................................................48
5. Kondisi Ekonomi ...............................................................49
6. Pemerintahan Desa ............................................................50

B. Desa Agom ..........................................................................51
1. Sejarah Desa ......................................................................51
2. Demografi ........................................................................51
3. Pendidikan .......................................................................53
4. Keagamaan ......................................................................53
5. Kondisi Ekonomi ...............................................................54
6. Pemerintahan Desa ............................................................54

V. HASIL DAN PEMBAHASAN

A. Sejarah Asal daerah Transmigran ........................................55
B. Kondisi Lampung Selatan .......................................................59
C. Penyebab Konflik .................................................................63
   1. Resistensi Hubungan Negara dan Masyarakat Lokal ..........64
   2. Isu Kesuakan ....................................................................69
   3. Kenakalan Remaja ...........................................................73
   4. Kegagalan Negoisasi .........................................................75
