Permainan tradisional merupakan salah satu hasil kebudayaan yang diwariskan masyarakat secara turun-temurun yang disampaikan secara lisan yang ternyata mengandung nilai luhur. Tujuan penelitian ini adalah untuk mengetahui permainan tradisional yang terdapat di Desa Sulusuban dan masih aktif dimainkan, serta nilai-nilai yang terkandung dalam permainan tradisional Jawa di Desa Sulusuban Kecamatan Seputih Agung Lampung Tengah. Penelitian ini menggunakan teknik pengumpulan data wawancara, observasi, kepustakaan, dan dokumentasi. Metode yang digunakan dalam penelitian ini adalah metode deskriptif dengan pendekatan kualitatif, sedangkan teknik analisis data yang digunakan adalah teknik analisis data kualitatif dengan model analisis interaktif. Hasil penelitian diketahui bahwa permainan tradisional di Desa Sulusuban sangat beragam baik jenis maupun peralatan yang menjadi bagian dari aktifitas bermain anak-anak. Permainan tradisional yang masih ada dan dimainkan terdiri dari *gobag sodor*, *dhakon*, *dhelikan*, *gatheng*, *benthik*, *engklek*, kelereng (permainan tradisional kolektif), *yoyo*, *egrang*, dan layang-layang (permainan tradisional individual). Pada permainan tradisional kolektif dan individual ditemukan nilai-nilai luhur yang meliputi nilai spiritual, demokrasi, moral, kesehatan, keberanian, kepribadian, dan pendidikan. Kesimpulan penelitian bahwa permainan tradisional membuat anak lebih cinta lingkungan dan membantu karakter anak melalui peraturan permainan yang secara tidak langsung harus diikuti anak-anak dalam bermain.
