I. PENDAHULUAN
   A. Latar Belakang Masalah  .......................................................... 1
   B. Identifikasi Masalah ................................................................. 13
   C. Pembatasan Masalah ................................................................. 13
   D. Rumusan Masalah ................................................................. 13
   E. Tujuan Penelitian ................................................................. 14
   F. Manfaat Penelitian ................................................................. 15
   G. Ruang Lingkup Penelitian ..................................................... 16

II. TINJAUAN PUSTAKA, KERANGKA PIKIR, DAN HIPOTESIS
   A. Tinjauan Pustaka ................................................................. 17
      1. Kinerja ................................................................. 17
      2. Rencana Pelaksanaan Pembelajaran (RPP) ................................ 28
      3. Metode Pembelajaran .......................................................... 33
      4. Sarana Prasarana ................................................................. 36
      5. Penelitian yang Relevan ......................................................... 38
   B. Kerangka Pikir ................................................................. 40
   C. Hipotesis ................................................................. 42

III. METODELOGI PENELITIAN
   A. Metode Penelitian ................................................................. 43
   B. Populasi dan Sampel ............................................................. 44
      1. Populasi ................................................................. 44
      2. Sampel ................................................................. 44
      3. Teknik Pengambilan Sampel .................................................. 45
   C. Variabel Penelitian ............................................................. 46
      1. Variabel Bebas ................................................................. 46
      2. Variabel Terikat ................................................................. 46
   D. Definisi Konseptual dan Definisi Operasional Variabel .......... 47
IV. HASIL PENELITIAN DAN PEMBAHASAN

A. Gambaran Umum Lokasi Penelitian ........................................... 71
   1. SMP Negeri 1 Trimurjo .......................................................... 72
   2. SMP Negeri 2 Trimurjo .......................................................... 72
   3. SMP Negeri 3 Trimurjo .......................................................... 74

B. Deskripsi Data ........................................................................... 75
   1. Data Rencana Pelaksanaan Pembelajaran (RPP) (X1) .............. 76
   2. Data Metode Pembelajaran (X2) .............................................. 78
   3. Data Sarana Prasarana (X3) ..................................................... 80
   4. Data Kinerja Guru ................................................................. 82

C. Pengujian Persyaratan Statistik Parametrik (Analisis Data) ........ 84
   1. Uji Normalitas ......................................................................... 84
   2. Uji Homogenitas ..................................................................... 89

D. Uji Asumsi Klasik ..................................................................... 90
   1. Uji Kelinieran Regresi ............................................................. 90
      a. Uji Keberartian dan Kelinieran Variabel X1 Terhadap Y .... 90
      b. Uji Keberartian dan Kelinieran Variabel X2 Terhadap Y .... 91
      c. Uji Keberartian dan Kelinieran Variabel X3 Terhadap Y .... 92
   2. Uji Multikolinieritas ............................................................... 93
   3. Uji Autokorelasi .................................................................... 95
   4. Uji Heteroskedastisitas ........................................................... 96

E. Pengujian Hipotesis ................................................................. 98
   1. Hipotesis Pertama ................................................................. 98
   2. Hipotesis Kedua ..................................................................... 100
   3. Hipotesis Ketiga .................................................................... 103
4. Hipotesis Keempat .............................................................................................................. 106
F. Pembahasan ......................................................................................................................... 109
2. Pengaruh Metode Pembelajaran Terhadap Kinerja Guru Bersertifikasi Pada SMP Negeri di Kecamatan Trimurjo Tahun Pelajaran 2013/2014 .............................................................................................................. 111
4. Pengaruh Rencana Pelaksanaan Pembelajaran (RPP), Metode Pembelajaran, dan Sarana Prasarana Terhadap Kinerja Guru Bersertifikasi Pada SMP Negeri di Kecamatan Trimurjo Tahun Pelajaran 2013/2014 .............................................................................................................. 113

V. KESIMPULAN DAN SARAN
A. Kesimpulan .......................................................................................................................... 116
B. Saran ..................................................................................................................................... 117
