**By
Habrianda Bukit**

At the beginning of February in the year 2012 in case of conflicts in the village district Napal Sidomulyo South Lampung regency. From informants who are to be believed, that the cases which occurred in the village of marl is a case that originated from the social case, how about the concerns of the small parking lot to the offensive end about tribalism or ethnicity.

Based on a survey on the problems of problem formulation in this study is how the role of Linmas Kesbangpol and South Lampung District in Conflict Resolution Quarterly between Lampung and Bali in District Sidomulyo Quarter in February of 2012. The purpose of this research is to discover, analyze, and get a picture of the role of objective and Linmas Kesbangpol South Lampung District in Ethnic Conflict Resolution occurred in South Lampung District Sidomulyo.

According Soleman B. Taneko (1986:23), whose role is meant by organizational activities related to carrying out the purpose of the hoped for results. Intended role

in the case of the collective nature of society as a compilation or organization, meaning that the expected device behavior owned by an organization located in a community. Resolution of major conflicts will not occur until an organization / group has grown to a point where there is a fundamental agreement on the organization / group occurs with certainty. Of course in this case all conflicts need a resolution or consensus models together in solving the conflict. The method used in this study is a qualitative method with type exploration. Data collection techniques in-depth interviews conducted with respondents respondent has confidently determined previously. Data analysis techniques used are organizing the data, sort milahnya be ones that can be managed, mensintesisnya, search and find patterns, discovering what is important and what is learned, and deciding what can be told to others.

Based on the interview test, the conclusion obtained is that the Community Protection Agency Kesbangpol and South Lampung regency perform Conflict Resolution with no compromise to the Integration.
