DAFTAR ISI

I. PENDAHULUAN
   A. Latar Belakang Masalah ..................................................................................... 1
   B. Rumusan Masalah .................................................................................................. 5
   C. Tujuan Penelitian ................................................................................................... 5
   D. Kegunaan Penelitian ............................................................................................ 6

II. TINJAUAN PUSTAKA
   A. Tinjauan Tentang Perjudian ................................................................................ 7
      1. Pengertian Judi .................................................................................................... 7
      2. Sejarah Perjudian .................................................................................................. 10
      3. Asal muasal Perjudian di Indonesia ........................................................................ 12
      4. Macam-macam Perjudian ..................................................................................... 16
      5. Pengertian judi Bola ............................................................................................ 18
      6. Faktor Penyebab Judi Bola .................................................................................. 21
         1. Faktor Sosial & Ekonomi ................................................................................ 21
         2. Faktor Sitasional .............................................................................................. 21
         3. Faktor Keinginan Untuk Mencoba .................................................................... 22
         4. Faktor Persepsi Tentang peluang kemenangan ................................................. 22
         5. Fakor Persepsi Tehadap Keterampilan .......................................................... 23
   B. Tinjauan Tentang sepak Bola ............................................................................... 23
1. Pengertian Sepak Bola ................................................................. 23
2. Sejarah Sepak Bola ...................................................................... 24
C. Tinjauan Tentang Perilaku Menyimpang ...................................26
D. Tinjauan tentang Mahasiswa .....................................................30
E. Kerangka Pikir ........................................................................... 30

III. METODE PENELITIAN
A. Tipe Penelitian .......................................................................... 33
B. Lokasi Penelitian ....................................................................... 34
C. Fokus Penelitian ........................................................................ 35
D. Penentuan Informan ................................................................... 36
E. Teknik Pengumpulan Data ..........................................................36
   1. Wawancara ........................................................................... 36
   2. Dokumentasi ......................................................................... 37
   3. Studi Pustaka ....................................................................... 37
F. Tehnik Analisis Data ................................................................ 37
   1. Reduksi Data ....................................................................... 39
   2. Penyajian Data ..................................................................... 39
   3. Proses Penarikan Kesimpulan ............................................... 39

IV GAMBARAN UMUM DAERAH LOKASI
A. Sejarah Universitas Lampung ................................................... 40
B. Sejarah Singkat Berdirinya FISIP ............................................. 45
   1. Filosofi Fisip Unila ............................................................... 47
2. Visi FISIP Unila ........................................................................................................48
3. Misi FISIP Unila .......................................................................................................48
C. Tujuan ..................................................................................................................48
D. Organisasi Fakultas ..............................................................................................49
   1. Pimpinan Fakultas ..............................................................................................49
   2. Pimpinan Jurusan Dan Program ........................................................................50
   3. Laboratorium ......................................................................................................51
E. Organisasi Kemahasiswaan ....................................................................................51
F. Tenaga Penunjang Akademik ..................................................................................53
G. Tenaga Administrasi ...............................................................................................53
H. Mahasiswa ...............................................................................................................53
I. Gambaran singkat subjek Penelitian .......................................................................53

V. HASIL DAN PEMBAHASAN PENELITIAN
   A. Identitas Informan ....................................................................................................55
      1. Faktor Penyebab Marak nya Judi Bola di Kalangan Mahasiswa .......................55
      2. Dampak Mahasiswa Yang Terlibat Judi Bola ....................................................68

VI. KESIMPULAN DAN SARAN
   A. Kesimpulan ...........................................................................................................73
   B. Saran ....................................................................................................................75
