DAFTAR ISI

DAFTAR TABEL ......................................................................................... viii

DAFTAR GAMBAR..................................................................................... ix

DAFTAR LAMPIRAN................................................................................... x

BAB I  PENDAHULUAN ............................................................................ 1

A. Latar Belakang Masalah ................................................................. 1
B. Identifikasi Masalah ...................................................................... 5
C. Rumusan Masalah ......................................................................... 5
D. Tujuan Penelitian .......................................................................... 6
E. Manfaat Penelitian ......................................................................... 6

BAB II  KAJIAN PUSTAKA ..................................................................... 8

A. Pendidikan Kewarganegaraan (PKn) ......................................... 8
   1. Pengertian PKn ........................................................................... 8
   2. Ruang Lingkup .......................................................................... 9
   3. Tujuan PKn .............................................................................. 10
B. Belajar ............................................................................................. 11
   1. Pengertian Belajar ................................................................... 11
   2. Pengertian Aktivitas Belajar .................................................... 12
   3. Pengertian Hasil Belajar .......................................................... 14
C. Strategi Pembelajaran Aktif .......................................................... 15
   1. Pengertian Strategi Pembelajaran .......................................... 15
   2. Pengertian Pembelajaran Aktif ................................................ 16
   3. Macam-macam Pembelajaran Aktif ......................................... 17
D. Strategi Pembelajaran Aktif Tipe Index Card Match .................. 18
   1. Pengertian Strategi Pembelajaran Aktif Tipe Index Card Match ........................................................................... 18
   2. Langkah-langkah Strategi Pembelajaran Aktif Tipe Index Card Match .................................................................. 20
   3. Kelebihan dan Kekurangan Strategi Pembelajaran Aktif Tipe Index Card Match .................................................... 21
E. Hipotesi Tindakan .......................................................................... 22
BAB III METODE PENELITIAN ........................................... 23
A. Jenis Penelitian .................................................................................. 23
B. Setting Penelitian ................................................................................ 24
C. Teknik Pengumpulan Data .................................................................. 25
D. Alat Pengumpulan Data ....................................................................... 25
E. Teknik Analisis Data ............................................................................ 26
F. Indikator Keberhasilan ......................................................................... 28
G. Urutan Penelitian Tindakan Kelas ...................................................... 28

BAB IV HASIL DAN PEMBAHASAN .................................................... 32
A. Profil SDN 1 Metro Barat ..................................................................... 32
B. Hasil Penelitian ..................................................................................... 33
   1. Hasil Penelitian Siklus I ................................................................. 33
      a. Tahap Perencanaan Siklus I ..................................................... 33
      b. Tahap Pelaksanaan Tindakan Siklus I ................................. 34
      c. Hasil Observasi Siklus I .......................................................... 38
         1. Kinerja Guru ................................................................. 38
         2. Aktivitas Siswa ............................................................... 44
         3. Hasil Belajar Siswa ............................................................ 48
         d. Refleksi Siklus I ................................................................. 49
         e. Saran Perbaikan/Tindakan Kelas untuk Siklus II .......... 52
   2. Hasil Penelitian Siklus II ................................................................. 54
      a. Tahap Perencanaan Siklus II ..................................................... 54
      b. Tahap Pelaksanaan Tindakan Siklus II ................................. 55
      c. Hasil Observasi Siklus II Hasil Observasi Siklus II ....... 59
         1. Kinerja Guru ................................................................. 59
         2. Aktivitas Siswa ............................................................... 66
         3. Hasil Belajar Siswa ............................................................ 69
         d. Refleksi Siklus II ................................................................. 71
         e. Saran Perbaikan/Tindakan Kelas untuk Siklus III ...... 74
   3. Hasil Penelitian Siklus III ................................................................. 75
      a. Tahap Perencanaan Siklus III ..................................................... 75
      b. Tahap Pelaksanaan Tindakan Siklus III ................................. 76
      c. Hasil Observasi Siklus II Hasil Observasi Siklus III ..... 80
         1. Kinerja Guru ................................................................. 80
         2. Aktivitas Siswa ............................................................... 87
         3. Hasil Belajar Siswa ............................................................ 90
         d. Refleksi Siklus III ................................................................. 92
C. Pembahasan ......................................................................................... 93
    1. Peningkatan Kinerja Guru dalam Pembelajaran PKn.............. 93
    2. Peningkatan Aktivitas Belajar Siswa .......................................... 95
    3. Peningkatan Hasil Belajar Siswa ................................................ 97
BAB V KESIMPULAN DAN SARAN

A. Kesimpulan

B. Saran
