DAFTAR ISI ......................................................................................................................... i
DAFTAR TABEL ...................................................................................................................... iv
DAFTAR GAMBAR .................................................................................................................. v
DAFTAR LAMPIRAN ............................................................................................................... vi

BAB I PENDAHULUAN

1.1 Latar Belakang ............................................................................................................. 1
1.2 Rumusan Masalah ....................................................................................................... 7
1.3 Batasan Masalah ......................................................................................................... 8
1.4 Tujuan Penelitian ....................................................................................................... 8
1.5 Manfaat Penelitian .................................................................................................... 8
   1.5.1 Manfaat Teoritis .................................................................................................. 9
   1.5.2 Manfaat Praktis .................................................................................................. 9

BAB II TINJAUAN PUSTAKA DAN PENGEMBANGAN HIPOTESIS

2.1 Landasan Teori .......................................................................................................... 10
   2.1.1 Teori Atribusi .................................................................................................... 10
   2.1.2 Pengawasan Pengelolaan Keuangan Daerah .................................................. 11
   2.1.3 Kompetensi ....................................................................................................... 14
   2.1.4 Independensi ..................................................................................................... 16
   2.1.5 Locus of Control ............................................................................................... 18
   2.1.6 Kualitas Audit .................................................................................................. 21
2.2 Penelitian Terdahulu ................................................................. 23
2.3 Model Penelitian ...................................................................... 25
2.4 Pengembangan Hipotesis .......................................................... 26
   2.4.1 Pengaruh Kompetensi terhadap Kualitas Audit .................. 26
   2.4.2 Pengaruh Independensi terhadap kualitas Audit ............... 27
   2.4.3 Pengaruh Locus of Control Internal terhadap Kualitas Audit .. 28
   2.4.4 Pengaruh Locus of Control Eksternal terhadap Kualitas Audit .. 29

BAB III METODOLOGI PENELITIAN

3.1 Populasi dan Sampel ............................................................... 30
3.2 Data Penelitian ........................................................................ 31
   3.2.1 Jenis dan Sumber Data ..................................................... 31
   3.2.2 Teknik Pengumpulan Data .............................................. 32
3.3 Operasional variabel Penelitian ................................................. 33
   3.3.1 Variabel Dependen .......................................................... 33
   3.3.2 Variabel Independen ......................................................... 34
3.4 Metode Analisis Data ................................................................ 36
   3.4.1 Uji Kualitas Data ............................................................. 36
   3.4.2 Uji Asumsi Klasik ......................................................... 37
3.5 Pengujian Hipotesis ................................................................. 39

BAB IV HASIL DAN PEMBAHASAN

4.1 Deskripsi Data ......................................................................... 41
4.2 Demografi Responden ................................................................. 42
4.3 Statistik Deskriptif Variabel Penelitian ........................................ 44
4.4 Hasil Pengujian Kualitas Data ....................................................... 46
   4.4.1 Uji Validitas ........................................................................... 46
   4.4.2 Uji Reliabilitas ................................................................. 47
4.5 Hasil Pengujian Asumsi Klasik ..................................................... 48
   4.5.1 Uji Normalitas ..................................................................... 46
   4.5.2 Uji Multikolinearitas ......................................................... 50
   4.5.3 Uji Heteroskedastisitas ...................................................... 50
4.6 Hasil Pengujian Hipotesis ............................................................... 51
   4.6.1 Hasil Uji Koefisien Determinasi ...................................... 52
   4.6.2 Hasil Uji Kelayakan Model Regresi ................................. 52
   4.6.3 Hasil Uji Hipotesis ............................................................... 53
4.7 Pembahasan .................................................................................. 55
   4.7.1 Pengaruh Kompetensi terhadap Kualitas Audit .......... 55
   4.7.2 Pengaruh Independensi terhadap Kualitas Audit ............ 56
   4.7.3 Pengaruh Locus of Control Internal terhadap
   Kualitas Audit ........................................................................... 57
   4.7.4 Pengaruh Locus of Control Eksternal terhadap
   Kualitas Audits ......................................................................... 58

BAB V KESIMPULAN

   5.1 Kesimpulan ............................................................................. 59
   5.2 Keterbatasan Penelitian ............................................................ 62
   5.3 Saran ....................................................................................... 62
