Firearms are goods that are very dangerous if misused use for the possession of firearms must have a special permit. In the context of supervision and control over the possession and use of firearms, then the people who own guns are required to obtain a permit from the Police Department in accordance with the laws and regulations. The problem in this study is how granting permission for the possession of firearms civilians by Police Department and whether that be a limiting factor in the granting of licenses to possess weapons for civil society.

The approach used is a problem juridical normative and empirical jurisdiction. The data used are primary and secondary data. Data that has been processed and then presented in narrative form, then interpreted or construed to be discussed and analyzed qualitatively, and then further drawn to a conclusion.

Based on the results of research and discussion note that possession of firearms permits for civil society is the absolute authority of the Police who regulated in Law Number 8 Year 1948 on Registration and Licensing issued Firearms Ownership. To have such permission must first ask for a recommendation from the intelligence apparatus of the provincial police headquarters where the applicant is registered with the attached conditions specified. If all requirements have been met, then granting a firearms license signed by the Chief of Police. If after getting permission but the owner of a firearm in violation of the provisions of possession of firearms, the licensee may be imposed administrative sanctions such as a warning or revocation of a license may also possession of firearms. Inhibiting factors in possession of firearms licensing process for civil society is of its own Police Department. Many procedures and requirements as well as the organs of the police have the authority to issue licenses to possession of firearms, often inhibits the activity of a firearm license applicant. Clarity of purpose gun ownership is a consideration that the police do not make haste granted permission possession of firearms.
