DAFTAR ISI ..................................................................................................... ix
DAFTAR TABEL .............................................................................................. xi
DAFTAR GAMBAR ........................................................................................ xii
DAFTAR LAMPIRAN ...................................................................................... xiii

I. PENDAHULUAN
   1.1 Latar Belakang Masalah ............................................................................. 1
   1.2 Rumusan Masalah ..................................................................................... 10
   1.3 Tujuan Penelitian .................................................................................... 10
   1.4 Manfaat Penelitian ................................................................................... 10

II. TINJAUAN PUSTAKA
   2.1 Buku Teks ................................................................................................ 12
       2.1.1 Pengertian Buku Teks ...................................................................... 13
       2.1.2 Kedudukan Buku Teks ................................................................... 13
       2.1.3 Fungsi Buku Teks ........................................................................... 14
       2.1.4 Kualitas Buku Teks ....................................................................... 15
       2.1.5 Jenis-jenis Buku Teks ..................................................................... 20
   2.2 Wacana ..................................................................................................... 21
       2.2.1 Batasan Wacana ............................................................................ 22
       2.2.2 Jenis Wacana ............................................................................... 22
       2.2.4 Tujuan Wacana .......................................................................... 26
   2.3 Membaca .................................................................................................. 26
       2.3.1 Pengertian Membaca ................................................................... 26
       2.3.2 Tujuan Membaca ......................................................................... 28
       2.3.3 Aspek-aspek Membaca ................................................................. 28
       2.3.4 Manfaat Membaca ...................................................................... 29
   2.4 Keterbacaan ............................................................................................... 30
       2.4.1 Sejarah Keterbacaan .................................................................. 32
       2.4.2 Penggunaan Formula Keterbacaan ............................................... 33
2.4.3 Keterbatasan Formula Keterbacaan .............................................33
2.4.4 Mengukur Keterbacaan ...............................................................34
2.4.5 Formula Keterbacaan .................................................................35
2.4.5.1 Formula Spache .................................................................35
2.4.5.2 Formula Dale & Chall ..........................................................35
2.4.5.3 Grafik Fry ...............................................................................35
2.4.5.4 Grafik Raygor .........................................................................40
2.4.5.5 Prosedur Close (Cloze Procedure) ..........................................43

III. METODE PENELITIAN
3.1 Metode Deskriptif ........................................................................56
3.2 Sumber Data ................................................................................56
3.3 Teknik Pengumpulan Data ..............................................................60
3.4 Teknik Analisis Data .....................................................................61

IV. HASIL DAN PEMBAHASAN
4.1 Hasil Penelitian ............................................................................64
4.1.1 Hasil Tes Klose Wacana A .......................................................68
4.1.2 Hasil Tes Klose Wacana B .......................................................69
4.1.3 Hasil Tes Klose Wacana C .......................................................71
4.1.4 Hasil Tes Klose Wacana D .......................................................72
4.1.5 Hasil Tes Klose Wacana E .......................................................74
4.2 Pembahasan Penelitian .................................................................75
4.2.1 Tingkat Keterbacaan Wacana A ..............................................78
4.2.2 Tingkat Keterbacaan Wacana B ..............................................80
4.2.3 Tingkat Keterbacaan Wacana C ..............................................82
4.2.4 Tingkat Keterbacaan Wacana D ..............................................84
4.2.5 Tingkat Keterbacaan Wacana E ..............................................86
4.2.6 Tingkat Keterbacaan Buku Teks Bahasa Indonesia untuk
    SMA Kelas X .............................................................................91

V. SIMPULAN DAN SARAN
5.1 Simpulan ..................................................................................93
5.2 Saran .....................................................................................94
