

CURRICULUM VITAE

Starting from several failures, finally Rio Sanjaya, the writer of this script can take the values of his life experiences. The first child of a wonderful couple, Supardi and Sri Lestari, started his study by enrolling at SD Negeri 1 Garuntang in 1997. He graduated from his elementary school in 2003. Then, he continued his study at SMP Negeri 1 Bandar Lampung in 2003 and graduated in 2006. After graduating from SMP Negeri 1 Bandar Lampung, he continued his study at SMA Negeri 2 Bandar Lampung in 2006 and graduated in 2009.

After graduating from senior high school, he planned to continue his study to the university. At the first time studying in the university, he faced many obstacles in his first year of his study. In 2009, he enrolled at Physics Education, but he did not finish his study in physics education because he did not have a strong passion in physics. After studying two semesters in Physics Education, he decided to take an SNMPTN test again. He successfully enrolled at English Education Study Program at University of Lampung in 2010.

Since that time, he promised to his parents and made a commitment to himself that one day he would make his parents proud. He is strongly encouraged by his dreams to have a high dedication, discipline, strong commitment, totality, and consistency to do everything that benefits his life, parents, and also people near him. During his study in the university, he joined UKM-U English Society Unila and became the best member in 2010. He was promoted to be the head of creativity and financial support department in ESo. He often participated in English Debate competitions nationally. In 2012, He participated in Indonesian Model United Nations Conference in UI. In the same year, in cooperation with his friend, he established MUN Lampung Club. In 2013, he helped his friends to establish Indonesian Future Leaders Lampung. He often attended English Teaching Seminar and Linguistics Seminar which belong to his interest in academic. In 2013, he accomplished his KKN-KT (*Kuliah Kerja Nyata Kependidikan Terintegrasi*) program at SMPN 2 Bandar Negeri Suoh in west Lampung for three months. In 2014, he was entrusted by his lecturers to be the head coordinator of KIMLI (*Konferensi Internasional Masyarakat Linguistik Indonesia*). In the same year, the United Nations in a collaboration with Harvard University granted him a scholarship to attend the World Model United Nations conference in Brussels, Belgium. On October in the same year also, he had a chance to visit Australia National University (ANU) in Canberra to attend the National Capital Model United Nations conference.
