

## ACKNOWLEDGEMENTS

In the name of Alloh, the Beneficent and Merciful. All praise is merely to the Mightiest Alloh SWT, the Lord of the worlds, for the gracious mercy and tremendous blessings that enables me to accomplish this script. This script, entitled *The Implementation of Asian Parliamentary Debate Technique in Teaching Speaking at the Second Grade SMAN 5 Bandar Lampung*, is submitted to fulfill one of the requirements for obtaining the academic title of the Bachelor Degree of English Education, Department of Language and Arts, Teacher Training and Education Faculty, University of Lampung.

It is important to acknowledge that this script would never have come into existence without any supports, encouragements, and assistance by several generous persons.

Among many individuals who have generously offered suggestion for improving this script, first of all the writer would like to extend his sincere gratitude to Dr. Ari Nurweni, M.A., the writer's first advisor and his co- advisor, Dra. Hartati Hasan, M.Hum, who have contributed and given their invaluable evaluations, comments, and suggestions during the completion of this script. The writer also would like to express his deepest gratitude and respect to Prof. Dr. Patuan Raja, M.Pd. as his examiner who has generously contributed his suggestion and criticism for the improvement of this script. Then, the writer is very thankful to Drs. Huzairin, M.Pd., as his academic advisor for his kindness and patience in guiding the writer during his study at English Department. The writer also would like to express his gratitude to Dr. Muhammad Sukirlan, M.A., Prof. Dr. Cucu Sutarysah, M.A., and Drs. Basturi Hasan, M.Pd., as the writer's lecturers who always gave some advice and had a time discussing and sharing about the research in English teaching. The deepest appreciation is given to all lecturers of English Department, University of Lampung.

The writer also would like to extend his appreciation to Drs. Hi. Ahyauddin, M.Pd., the headmaster of SMAN 5 Bandar Lampung, for providing a place to conduct this research. Then, next appreciation is addressed to Dra. Endang Tri Novianti, as the English teacher, for being so helpful during the process of the research in the class. Besides, the writer also extends his thankfulness to the students of XI IPA II class for their willingness, cooperation, and participation in this research.

Another appreciation to his best friend, Ahmad Novindri Adji Sukma, for his support and motivation that has opened the writer's mind to be a successful student both in academic and non-academic aspects. The deepest gratitude is extended to Novi Setiawati, for her kindness, patience, and help in supporting the writer to accomplish his research and script. Sincere gratitude to his friends Renita Violeta and Dani Saputrowho kindly lent him their printers and papers. The writer also would like to express his sincere gratitude to his best friends at English Department, Fadhil, Wisnu, Dika, Bedul, Luki, Ayin, Rima, Nia, Devi, Reza, Rani, Rizki, and Titik who always voluntarily help and support the writer during his study and the completion of his research. Sincere gratitude to colleagues at English Department 2010 who cannot be mentioned one by one. Next, the writer would like to appreciate UKM-U English Society members : Kak Tian, Kak Arif, Ria, Anwar, Vani, Fadlan, and those who cannot be mentioned. The writer extends his gratitude to his team in Indonesian Future Leaders: Deni,

Desi, Chandra, and those who cannot be mentioned, who always inspire the writer to be an excellent person. I would like to thank to my KKN-KT friends: Fahmi, Tanjung, Pendi, and those who cannot be mentioned.

Last but not least, his special gratitude and indebtedness are dedicated to his beloved mother, Sri Lestari and his beloved father, Supardi, who always give their loves, prayers, supports, and encouragements for every single thing that has been done by the writer. It is truly undoubted that loves, cares, timeless prayers during days and nights, are everything for him.

Hopefully, this script will give a positive contribution to the educational development and also for those who want to carry out further research. The writer is completely aware that this script is far from the perfection. Therefore, constructive input and suggestion are expected to compose better script in the future.
