I. PENDAHULUAN --------------------------------------------------- 1

1.1 Latar Belakang Masalah .................................................. 1
1.2 Rumusan Masalah ............................................................. 13
1.3 Tujuan dan Manfaat Penelitian

1.3.1 Tujuan Penelitian ...................................................... 15
1.3.2 Manfaat Penelitian ..................................................... 15
1.4 Kerangka Pemikiran ....................................................... 16
1.5 Perumusan Hipotesis ....................................................... 17

II. TINJAUAN PUSTAKA --------------------------------------------- 18

2.1 Pengertian Pemasaran .................................................... 18
2.2 Jasa ................................................................................. 19
2.3 Bauran Pemasaran Jasa .................................................... 22
2.4 Kualitas Pelayanan ................................................................. 25
2.5 Kepuasan Pelanggan ................................................................. 30
2.6 Penelitian Terdahulu ................................................................. 33

III. METODE PENELITIAN .............................................................. 36
3.1 Jenis dan Objek Penelitian .................................................... 36
  3.1.1 Jenis Penelitian ................................................................. 36
  3.1.2 Objek Penelitian ............................................................... 36
3.2 Metode Pengumpulan Data .................................................... 37
3.3 Jenis Data ............................................................................... 37
3.4 Variabel Penelitian dan Operasional Variabel
  3.4.1 Variabel Penelitian ............................................................. 38
  3.4.2 Operasional Variabel ......................................................... 38
3.5 Populasi dan Sampel .............................................................. 40
  3.5.1 Populasi ........................................................................... 40
  3.5.2 Sampel ........................................................................... 40
3.6 Skala Pengukuran Variabel ................................................... 41
3.7 Uji Validitas dan Uji Reliabilitas ............................................ 42
  3.7.1 Uji Validitas ..................................................................... 42
  3.7.2 Uji Reliabilitas ................................................................. 43
3.8 Alat Analisis ........................................................................... 44
  3.8.1 Analisis Kualitatif ............................................................. 44
  3.8.2 Analisis Kuantitatif ........................................................... 45
  3.8.2.1 Uji Regresi Linier Berganda ......................................... 45
3.9 Pengujian Hipotesis ............................................................... 46
  3.9.1 Uji Koefisien Regresi Secara Bersama-Sama (Uji F) ........... 46
  3.9.2 Uji Koefisien Regresi Secara Parsial (Uji t) ....................... 46

IV. PEMBAHASAN ........................................................................ 48
  4.1 Gambaran Umum Puskesmas Rajabasa Indah ......................... 48
    4.1.1 Wilayah Kerja Puskesmas ............................................... 50
    4.1.2 Visi dan Misi Perusahaan ............................................... 51
4.2 Uji Validitas dan Reliabilitas Kuesioner Dengan Product Moment. 51
4.2.1 Uji Validitas ................................................................. 51
4.2.2 Uji Reliabilitas ............................................................... 52
4.3 Karakteristik Responden .................................................. 54
4.3.1 Karakteristik Responden Berdasarkan Jenis Kelamin .......... 54
4.3.2 Karakteristik Responden Berdasarkan Jenis Usia ............... 55
4.3.3 Karakteristik Responden Berdasarkan Pekerjaan ............... 55
4.3.4 Karakteristik Responden Berdasarkan Tingkat Pengeluaran Perbulan ................................................................. 56
4.4 Distribusi Frekuensi Jawaban Responden .......................... 57
4.4.1 Tanggapan Tentang Bukti Langsung (X_1) ......................... 57
4.4.2 Tanggapan Tentang Kehandalan (X_2) .............................. 58
4.4.3 Tanggapan Tentang Jaminan (X_3) .................................. 59
4.4.4 Tanggapan Tentang Daya Tangan (X_4) ......................... 60
4.4.5 Tanggapan Tentang Empati (X_5) .................................. 61
4.4.6 Tanggapan Tentang Kepuasan Pelanggan (Y) ................... 63
4.5 Analisis Kuantitatif ............................................................. 64
4.5.1 Uji Regresi ................................................................. 64
4.5.2 Uji Koefisien Regresi Secara Bersama-sama (Uji F) ....... 66
4.5.3 Uji Koefisien Regresi Secara Parsial (Uji t) ................. 67

V KESIMPULAN DAN SARAN ...................................................... 71
5.1 Kesimpulan ........................................................................ 71
5.2 Saran ................................................................................. 72
