

ACKNOWLEDGEMENTS

Finally, all hard work in three hundred and sixty five days has been paid. First and above all, the praise is merely to the mightiest Allah SWT, The Lord of the universe for granting me the capability to proceed successfully. This undergraduate thesis entitled “Students’ Attitude toward English, Language Learning, and Native Speakers at Second Grade Students of Senior High Schools in Gisting Subdistrict” is submitted as the final requirement in accomplishing undergraduate degree at The Department of Language and Arts, Faculty of Teacher Training and Education, University of Lampung.

This Script appears in its current form due to the assistance and guidance of several people. It would not have been possible to write this undergraduate thesis without the help and support of the kind people around. By that time, I have worked with a great number of people whose contribution in assorted ways deserved special mention. I would therefore like to offer my sincere thanks to all of them.

This thesis would not have been possible without the help, support and patience of my principal supervisor, Prof. Ag. Bambang Setiyadi, M.A., Ph.D., for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the past few years. The good advice, support and friendship of my second supervisor, Budi Kadaryanto, S.Pd. M.A. who has been so invaluable on both an academic and a personal level, for which I am extremely grateful. His truly linguist intuition has made him as a constant oasis of ideas and passions in linguistic, which exceptionally inspire and enrich my growth as a student. I am indebted to him more than he knows.

I gratefully acknowledge Dr. Ari Nurweni, M.A. for her advice, supervision, and crucial contribution. Her assessment with her originality has triggered and nourished my intellectual maturity that I will benefit from for a long time to come.

I gratefully thank to the principals of the four senior high schools in Gisting, Drs. Fahruri, Drs. Sudirman, Drs. Wahyudin, M.Pd, and Ikhsanudin, S.Pd. for allowing me to hold the research in senior high schools. To the English teachers in those senior high schools; Mr. Zaidan, Mrs. Agustinami, and Mrs. Anisa, it was great to collaborate with you. I could never have finished this without your great guidance.

It is a pleasure to express my gratitude wholeheartedly to my parent deserve for their inseparable support and prayers. My Father, Sumiardi, in the first place is the

person who put the fundamental learning character, showing me the value of life ever since I was a kid. My Mother, Aminah, is the one who sincerely raised me with her caring and gently love and touch, your loyalty as mother is priceless. Nobody is able to make a replacement of you. Aulia Putri Hapsari, the sister; it feels odd to completely mention your name. Someday you will be greater than you never imagine.

I am extraordinarily fortunate in having Samsul Bahri as my life professor of all times. I could never have been standing here without your prior inspiration motivation. Thank you.

There are no words enough to express my appreciation to my “lifetime personal partner”, Etika Indah Febriani, whose dedication, love and confidence in me, has taken the load off my shoulder. We do hope the vision and tons of wishes we have will come true very soon. *InshaAllah*.

It is a pleasure to pay tribute also to the Asrama 45 *Grande Familia*; Dani Erfan, Rachmat Pradikta, Luki Nugroho, Bayu Manggala, Ujang Setiawan, and Yoga Barep, thank you for being such a good neighbor in this universe, who always ready to lend a hand. To the entire academician of English Education Study Program, Dr. Muhammad Sukirlan, M.A., Rio Sanjaya, Siti Amalina Santi, and Nurina Ulfa, thank you.

Many thanks go in particular to Unit Database and Publikasi Ilmiah, Eduspot TV and Eduspot Magazine; Amarullah, Bayu Desmon, Yenisa, Riky Fernando, and Ardi Hardi Kurniawan.

Finally, I would like to thank everybody who was important to the successful realization of this undergraduate thesis. For any errors or inadequacies that may remain in this work, of course, the responsibility is entirely my own.
