

ABSTRACT

CANDIDATE RECRUITMENT BY THE GOVERNOR AND VICE GOVERNOR PDIP LAMPUNG PROVINCE IN 2013

By

DICKY RINALDY

The phenomenon of multiple decision letter in the process of Recruitment Candidates for Governor and Deputy Governor of the PDI-Perjuangan Lampung Province in 2013, making the registration process candidates for governor and vice governor in Lampung province electoral commission to be blocked. So the writer wanted to know how the recruitment process conducted by the PDI-Perjuangan Lampung Province. This study uses descriptive type through a qualitative approach. Data collection techniques such as interviews, documentation and research libraries. Based on the research results, it can be seen that the PDI-Perjuangan Lampung Province has run political recruitment process through the certification stage, the stages of nomination and election stages. Through these stages can be seen that the PDI-Perjuangan Lampung Province has been run by the certification stage is open, it can be seen from the requirements and procedures for displaying the figure head candidate region is known widely through the mass media so that the public can assess the ability of the political elite. In the nomination stage DPD has also done openly recruitment stage by

conducting a survey in the community about the track record of some figure candidates who apply through the local head of the PDI-P. Furthermore DPD has also conducted the election stage by issuing a decree on establishment of regional head candidates promoted by the PDI-P, in this stage are closed due to internal only party involved in the process.
